SPORT NOTES

Bystander

This is my first of a series of articles on Sports which I hope to be entertaining to the sports fans of O'Neill and community.

Let's get right down to business. First, just take the record of O'Neill High. So far this season the Eagles have played two games and have won them both. That is a good record even though Elgin and Ewing both gave the Eagles quite a fight.

Now turn to Saint Mary's Cardinals. So far this season the Cardinals have played five games, won three and lost two, but both games they lost to Page and Inman were both by only two points. The Cardinals have a pretty fair team this year.

Now, the Holt County Tournament. I am writing this on Tuesday and so I have no way of knowing how they will come out.

Here are my selections for the tournament, and I hope that I can pick them at least half right:

In the upper bracket of the tournament we find the first game pretty evenly matched, but we are going to give the nod to Saint Mary's over Page, although Page beat them 18 to 16 early in the season. Chambers drew a bye in the first round.

In the semi-finals of the upper bracket we find, if our past selection was right, it's Saint Mary's against Chambers. Here we predict another win for the Cardinals and they will have then won their way into the finals.

Let's take the lower bracket. (The lower bracket doesn't mean that the team in the lower bracket aren't as good—it is just the way they were picked.)

We find Ewing playing St. Joseph of Atkinson, and we pick the boys from Ewing because the St. Joseph team is young and needs more experience, although St. Joseph will put up a good fight. In the other game O'Neill will take Inman. O'Neill will not find

Inman an easy team to beat, but they should take it.

In the semi-finals in the lower bracket we find the Ewing quintet against O'Neill and we predict the Eagles to do it again. The Eagles won their first game with Ewing this year 28 to 22 but they had a hard fight all the way, so it should be a close game.

Now for the finals: We have predicted for the finals the two O'Neill teams to play and this is a hard one to pick, because we don't want our head blown off.

The Eagles, as we said, are undefeated in two games and the Cardinals have won 3 out of 5 and this will really be the big game of the tournament and the only way I can think of to make a big difference is the Cardinals' lack of reserves. Of course they have plenty of men but their reserves are not seasoned enough to withstand the Eagles' attack, and the Eagles seem to have a little better reserves than the Cardinals from St. Mary's. We expect it to be a top-notch fight and we are sure that you will get your money's worth, but I select to take, for the second straight year, the Holt County Tournament, O'Neill.

Well, now before I close, I want to tell some of you sports fans if you are wondering about some of the best college basketball teams, you will have to put Creighton very near the top of your list. So far Creighton is undefeated and has played a tough schedule.

But remember, now, "it isn't if you won or lost, but how you played the games."

Nice Run of Livestock On Local Market This Week

Good roads and nice weather brought a nice run at the local sale here Monday. In the hog department there was another heavy run and the quality was very good. There was an extreme top of \$14.55 per cwt. on 180 to 200-lb. butchers, and \$14.45 and \$14.50 was paid for the long end of the 220 to 290-lb. butchers. The sows brought from \$13.90 to \$14.10 with an extreme top of \$14.15.
