A MESSAGE ON WASHINGTON'S BIRTHDAY

TO THE

STARS
in our Service Flag

To you 3433 in the Armed Forces—our 3433 soldiers, sailors and marines—the J. C. Penney Company sends its tribute on the birthday of George Washington, our first soldier.

You come from every corner of America carrying the might of our democracy to the far reaches of the globe, bearing arms so that freedom may ring and decency reign.

Today your tools of peace are beaten into bayonets. Today you operate the weapons of war, not the machines of commerce and industry. Today you calculate not goods bought and sold, but the speed and altitude of onrushing enemy planes.

So, hats off and hats off again to you, our game and gallant 3433!

YOU'RE ALL STILL PART OF PENNEY'S!

Every one of you is still a part of the Penney Company and of the store from which you came. And you and your store and your job are vital to the America That Is To Be as well as to the America That Was.

WE THINK OF ALL OF YOU WITH CONFIDENCE AND DEVOTION!

And we hope you think of us with trust and understanding—when the victory is won and the flags are furled we'll be proud and happy to welcome you back to your family, your friends and your Penney store.

Notes From Holt County War Board

Final plans for emergency financing of war food production in the area through the Regional Agricultural Credit Corporation and the USDA War Boards were completed today, it was announced by Harry E. Ressel, chairman of the Holt County War Board.

Attending the meeting were county war board members and R. A. C. C. loan representatives from Boyd, Wheeler, Garfield and Holt counties and representatives of all United States Department of Agriculture agencies in these counties. The R. A. C. C. loan representatives for each county is appointed by the county war board.

Mr. Ressel said that the emergency funds are available in two forms. One is a straight loan on which the farmer pledges the collateral financed; the other, an "advance" arrangement under which the farmer contracts to produce certain special war crops such as soy beans, flax or hemp, and repayment is based solely on the income from this crop.

"These loans and advances are available to farmers and livestock men right now, and with a minimum of detail and red tape, Ressel explained. "In making an advance to finance a special war crop, our government has shown its willingness to share the credit risk with the producers of food in much the same way it is sharing the credit risk with the producers of tanks, guns and planes. In such cases, farmers will be obligated to pay only to the extent of the value of the war crops produced."

Mr. Ressel pointed out that the USDA county war boards will make the loans in each county and the Farm Credit Administration will service them. These agencies, he said, "have taken on this job of servicing emergency loans and advances without any increase in personnel."

Details of the financing program, said Ressel, are available through the Triple-A Committees, county war board members, Production Credit and National Farm Loan Association offices and Emergency Crop and Feed Loan representatives.

"This program is not intended to substitute for established credit institutions such as local banks, Emergency Crop and Feed Loan offices, PCA's, Farm Security and the like," said Ressel. Applications for loans from the corporation will be taken only where the producer desires to be financed thru this program. "It's two-fold purpose is to see that no farm operates at less than full war food production capacity because of credit shortage and to encourage extra efforts toward production of vitally needed special war crops."

Applications for loans may be made at the Triple-A office in the court house annex, in O'Neill.

Harry E. Ressel, Chairman, Holt County USDA War Board.

Mr. and Mrs. Dean Streeter entertained at a family dinner at their home at 7:00 o'clock Monday evening in honor of their nephew, Vincent Streeter, who leaves soon to join the U. S. Navy.

THE OLD JUDGE SAYS...

"How soon do you leave for camp, Bob?"

"Next Tuesday, Judge. Bill and George are leaving the same time. We're hoping to wind up in a tank outfit."

"Well, the way I've seen you handle a tractor, Bob, you ought to be right at home in one of those tanks. You're going to like the service—they're a great bunch of fellows. Just last week I went down to camp to see a young nephew of mine and he introduced me to some of his buddies. Fine fellows—real he-men just like you and Bill and George—from good American homes. Handle themselves well, too."

"You know, I've been checking up on it, Bob, and I've found out that the American army today is healthier, better disciplined, better trained, better taken care of than it has ever been in its history. And you can take my word for it, Mary, he'll come back to you a fine man in great shape. Best of luck to you, Bob."
