**Blanks Being Received For Ration Book No. 3**

Letter carriers in the seven midwestern states have already started delivery of approximately six thousand application cards for War Ration Book No. 3, which will provide new ration stamps to replace those running out in existing books. Distribution of these cards will continue until about June 5th, Raymond S. McKeough, regional OPA administrator, announced. "A total of forty million application cards are being distributed throughout the entire nation," he said.

Chicago will be the mailing center for War Ration Book No. 3 for the states of Illinois, Iowa, Nebraska, Wisconsin, Minnesota, North Dakota, South Dakota and Lake county, Indiana, in which McKeough estimated some 18 million books will be distributed. The distribution of the books will be under the supervision of Edward F. Stegen, regional rationing executive.

"While OPA suggests that the applications be filled out promptly upon receipt," McKeough said, "the public is urged not to mail them until June 1. By that date the post offices will have mail channels cleared for fast handling and OPA mail centers will be geared up to process the cards and mail out the books.

Cards mailed in advance of June 1 will not be processed at least until that date and, since mechanical arrangements will have been completed, books mailed prior to June 1 may be lost or misplaced.

**THE OLD JUDGE SAYS...**

"Just one more question before you go, Judge. What is this thing called propaganda you hear so much talk about these days?"  
 "I'll give you an example, Hank. Last night I was reading an interesting little book called 'Hitler is in Favor'. It told how Hitler would very much like to see Americans fighting among themselves over prohibition because that would create disunity, waste the time of Congress and legislatures in wet-dry arguments and cripple our war effort. It also mentioned a booklet written about Hitler's government telling how Hitler's gang wants to maintain contact with foreign temperance organizations and how it contributes annually to an international temperance union.  
 "You can bet Hitler isn't interested in seeing prohibition advanced in our country for any reason except that he knows it's a good way to stir up trouble. That's what they mean by propaganda, Hank."
