The folks behind the counters...

BACK THE MEN BEHIND THE GUNS!

TODAY, in the J. C. Penney stores in all 48 states, an army of over 50,000 is waiting to greet you.

In this army are veterans versed in the Penney technique of service. And its ranks are filled with eager recruits... the able replacements for the 4,512 stars in the Penney service flag.

Fred Parsons in the shoe department is filling in for a hero in Tunisia. Lucy Hunt, selling yard goods, substitutes for a Navy Wave.

These new people—like the veterans—do a marvelous job! In a sense, they are soldiers—soldiers all! For, you can't do your best at a war job without the proper clothing. And Penney's and its people are making every effort to provide you with the new clothes you need. Clothing that's sturdy—smart—thrifty—clothing for all the family.

There are over 1600 Penney stores but each is a local institution. Each employs local people, pays local taxes, caters to local tastes.

The people who work at Penney's are folks you have grown up with; their daughters and sons! That is why you'll feel at home at Penney's!

Miss Helen Biglin of O'Neill and Miss Marie Biglin and Miss Mildred Piacitelli of Salt Lake City, Utah, spent the week-end in Winner, S. D., visiting relatives and friends.

THE OLD JUDGE SAYS...

"I can't think of anything else you'll need for your Victory garden, Judge... you've got pretty nearly everything."
"I think so, too, John. Ever get your asparagus patch going?"
"I gave that up last year, Judge. Tried it six years in a row with no luck. Just haven't got the right soil, I guess?"
"Well, I think you're wise, John... no use keeping on trying things you know won't work. Just like prohibition. State-wide prohibition has been tried in this country

seventy-two times in the last ninety years. It has been adopted forty-seven times in the past thirty-three years and discarded everywhere except in three states. Same thing was tried in eight provinces in Canada and in Norway, Sweden, Finland and Russia but it was an admitted failure and universally abandoned.
"The reason is prohibition does not prohibit. All you get is bootleg liquor instead of legal liquor, plus no end of crime and corruption."
