THE OLD JUDGE SAYS...

"Mornin', Judge...meetin' someone?"

"No, Sam, I'm just going up the line away on business. Wasn't that a troop train that just pulled out?"

"Sure was, Judge...stopped over here for ten minutes and what a swell bunch of fellows they were."

"That's true all over, Sam. Our present Army is the best trained, best disciplined, best behaved in American history. That's why I get my hair up when I hear of some people trying to dry up the areas around

Army camps. Why, in a recent report made by the government, it said the Army usually prefers its camps to be located in wet instead of dry communities. And there's a sound reason. In a wet community the Army can control drinking. In dry communities where bootleggers run wild it's almost impossible. We know that from our nearly 14 years of experience with national prohibition.

"There's no getting away from it, prohibition does not prohibit."
