

Self-Sufficiency Basis of Youth Forest Camp

Boys who have been made wards of the juvenile court in California are being sent to a forestry camp in Calaveras State park if a check of their records and behavior indicates they are worthy of an opportunity. Self-sufficiency is stressed at the camp. Top left: Custodian A. A. Beck and J. H. Knight, assistant warden, kneeling, instruct two of their charges in the care of young trees. Bottom left: Two youths learn to mix concrete for camp foundations. Right: A youth gives his companion a haircut.

Concrete 'Sub' Type Cargo Carrier Planned

A submarine type cargo and troop carrier shaped like a torpedo and made of concrete is the dream of Hal B. Hayes, Hollywood contractor, and Hal Williams, motion picture producer. They claim that their craft would operate almost completely submerged and thus would present a poor target in submarine warfare. It would be cheap and light, they said, by utilizing concrete instead of steel. A model for the new type vessel is pictured above at Richmond, Calif. Inset: Hayes inspects the motors inside the new craft.

Hamburg Now World's Most Bombed City As Zero Hour Nears

Another Axis city now is entitled to the dubious distinction of "world's most bombed city"—Hamburg, Germany. It has been rendered useless as a military, manufacturing or shipping locale. Possible Nazi Triangular Defense Line

Italy's exit from the war, military experts believe, would force Germany to abandon Greece, Yugoslavia, Rumania and Bulgaria, thus losing 600,000 satellite troops and necessitating a 6,000-mile defense line with about 5,500,000 men. The line may run triangularly from Narvik, Norway, to Bordeaux, France, to Odessa in the Ukraine, then back north to Narvik. Neutral Sweden and Switzerland fall inside the triangle but Sweden has announced that such movements must end August 20.

United Nations' Conquest Technique

Sicilian children gather about an American army sergeant who shares part of his rations with them. With the fall of Catania accompanied by a sweeping Allied offensive toward Messina, it appeared that occupation of the entire island of Sicily was not far off. Catania was wrested from some of the finest troops of the German army.

Y., riot in which five Negroes were killed, 600 persons were injured and property was damaged to the extent of \$5,000,000. WAC Inspection in North Africa

A unit of the Women's Army corps has been serving in North Africa for six months doing much of the non-combatant work associated with the tremendous Allied campaigns on North Africa and Sicily. The man who has directed these unique military victories—Gen. Dwight D. Eisenhower—is shown inspecting a WAC group.

Watch Your Kidneys! Help Them Cleanse the Blood of Harmful Body Waste Your kidneys are constantly filtering waste matter from the blood stream. But kidneys sometimes lag in their work—do not act as Nature intended—fail to remove impurities that, if retained, may poison the system and upset the whole body machinery. Symptoms may be nagging backache, persistent headache, attacks of dizziness, setting up nights, swelling, puffiness under the eyes—a feeling of nervous anxiety and loss of pep and strength. Other signs of kidney or bladder disorder are sometimes burning, scanty or too frequent urination. There should be no doubt that prompt treatment is wiser than neglect. Use Doan's Pills. Doan's have been winning new friends for more than forty years. They have a nation-wide reputation. Are recommended by grateful people the country over. Ask your neighbor!
