CRYSTAL WHITE Scouring Powder 3 Packages 14c

KLEK Small Pkg. 10c
 Large Pkg. 20c

Views of Congress

By Dr. A. L. Miller, M. C.

A bill authorizing the appropriation of money for advertising the sale of War Bonds in newspapers (S. 1073) has been reported to the Senate by the Committee on Banking and Currency. It will be acted upon in the near future. Appearing in favor of the bill were officers of the National Editorial Association and publishers of a number of small newspapers. Proponents of the measure feel that the government should not expect the newspapers to donate space for this advertising especially at a time when they are having a struggle to keep going. Opposition to it is based on the fear that the administration would use it for political propaganda purposes during the campaign. Several amendments have been added by the Committee to overcome objections based on this fear.

With the government asking for billions of dollars with which to carry out its patricular plan of handling the food problem, some members of Congress are recalling the results of this plan to date. The War Food Administration admits it has recently lost 475 carloads of potatoes by spoilage. This doesn't set so well when we remember that we were without potatoes for over a month here in the east this summer. Congressman Murray of Wisconsin is authority for the statement that the government purchased 33,000 head of cattle and lost \$745,000 in the sale of 26,000 of them. That's almost \$30 per head and would break any private operator. Congressman Landis, who has made a careful investigation on government handling of food, says that the Commodity Credit Corporation bought and held the 1941 pack of canned tomatoes for almost a year before turning them back for civilians to buy. They are still buying large stocks and holding them until they spoil. He further states they have lost 17,000,000 cases of condensed milk and 1,900,000 pounds of rolled oats. It makes us wonder if this inept handling of the food situation by the government should be permitted to go on. At present eight or nine different agencies are handling the food problem without any agreement or co-ordination. Maybe one agency staffed by men who have an understanding of production and distribution would help.

The Agriculture Committee of the House had the top officials of the OPA before it to explain why the OPA was putting into effect price ceilings on live cattle. It was a shock to the committee to learn that the ceilings are being put into operation without consultation with the cattle industry or their committee. The Agriculture Department and the Meat Board, which is made up of all divisions of the industry—the packers, the growers, the feeders—oppose the regulation. It is law by directive which by passes the elected representatives of the people and is bound to cause great confusion throughout the country. The OPA is putting the directive into effect to save its neck because this week the Emergency Court will render an opinion that certain regulations in connection with price ceilings which affect the smaller packers will be declared illegal. OPA's own attorneys drew the regulations and now declare them invalid. They want to issue another directive before the court renders its decision. It is a little like giving another short check to cover up the hot one in existence. With this directive put into operation the country will see MORE RED TAPE BUT LESS RED MEAT.

lina. Chaplain Albert M. Wright of the 100th Div. Field Artillery performing the ceremony. Lt. Bernice V. Newton, U. S. Army nurse and Lt. E. J. Fishman stood up with the young couple. The bride wore a white wool dress trimmed in gold, long white gloves, a gold colored sweetheart hat and a necklace and bracelet set with ruby sets. The groom and attendants were in military attire. None of the bride's relatives were able to go so far to attend the wedding, but Lt. Kramer's mother and aunt were there from Long Island, N. Y.

INMAN ITEMS

The Coffee Club met at the home of Mrs. Eva Murten on Friday, October 29. A covered dish luncheon was served at noon which was enjoyed by all. Most of the members and several visitors were present. Mrs. M. Harkins and Mrs. Earl Stevens were assisting hostesses. The next meeting of the club will be held at the home of Mrs. Jacox on Thursday, November 18.

Corporal Lorin Keyes, who has been at home for the past month, left last Friday for Camp Walters, Texas. Sergeant Cecile Keyes, who was also home on furlough, left last Friday morning for Camp Campbell, Ky.

All of the Inman teachers attended Teachers' Convention in Norfolk on Thursday and Friday of last week.

Mr. and Mrs. Ted Hopkins and family drove to Sioux City last Friday, where they visited Norma June Hopkins. They were accompanied by Mrs. Tom Hutton, who visited her daughter, Mrs. Vernon Green. They all returned home Friday night.

Mr. and Mrs. Chester Youngs entertained at a bridge party at their home last Thursday evening. Tallies, prizes and lunch were in keeping with Hallowe'en. There

were five tables. Mrs. A. N. Butler won high score for ladies, James Coventry won high score for men. Mr. and Mrs. Hardin Anspach of O'Neill were out of town guests.

John Brunckhost, who was home on furlough visiting his parents, Mr. and Mrs. Ernie Brunckhost, left last Thursday for Stockton Field, Calif.

Mr. and Mrs. Ermand Keyes left last Saturday for their home in Harrison, after visiting relatives and friends here.

Marilyn McClurg of Bassett visited Carolyn Watson from Wednesday night until Friday of last week.

Mr. and Mrs. W. J. McClurg and daughter, Joan, were guests of Mr. and Mrs. Harvey Tompkins last Friday night on their way home from Norfolk, where they attended Teachers' Convention.

Mr. and Mrs. Art Renner spent Saturday and Sunday with their son, Erle, and family at Neligh. The Harmony Club held a Hallowe'en party at the home of Mr. and Mrs. Leslie Caster last Saturday night. Games were enjoyed. Lunch was served by the hostess.

Mrs. L. R. Tompkins went to Norfolk Monday, where she spent several days with her sister-in-law, Mrs. L. H. Doughty.

The Central Nebraska District Conference met at the Reorganized Church of Jesus Christ of Latter Day Saints in Inman on Sunday, October 31. Members were present from Lynch, Clearwater, Neligh, Atkinson, O'Neill, Page and Elgin. Due to weather conditions the attendance was smaller than usual, nevertheless the attendance was good. Apostle Paul M. Hanson of Independence, Mo., was the speaker at the morning and evening services, also at services on Monday, Tuesday and Wednesday evenings. A basket dinner was enjoyed at noon at the home of Mr. and Mrs. Walter Jacox.

AAA News Notes

Dairy program: In an effort to maintain and increase production of whole milk and butter fat, dairy feed payments will be offered to dairy farmers for the quarter beginning October 1, 1943 and ending December 31, 1943. The payments are intended to partially offset increases in cost of dairy feeds.

Areas and rates were determined primarily on the basis of changes in the price of dairy feed since September, 1942, adjusted for (1) relative increases in the price of milk since 1938 to 1940 and (2) average proportion of dairy feed purchased.

No payments of less than \$1.00 will be made. Payments will be

White Hybrids

Reports of satisfactory yields from fields of White Hybrid Corn grown this year are coming in from all the Corn Belt States.

This excellent performance of White Hybrids plus the unusually high premiums that have prevailed for White Corn should be an incentive for a big increase in White Corn acreage next year.

Now is the time to order your White Seed while the supply is available. Then you can be sure you're all set for next season's planting.

AMERICAN CORN MILLERS' FEDERATION, 105 W. Adams St., Chicago

FOR EXTRA PROFIT Grow WHITE CORN

Tune in 12:57 Daily at KMMJ for White Corn Talks

made by the County AAA Committee by means of a non-interest-bearing draft drawn on the Commodity Credit Corporation payable at any bank. Payments will be made only to producers who file an application for payment with the county committee and furnish satisfactory evidence of the sale of whole milk or butterfat.

Sales slips for co-ops, dairies, creameries, and others showing the amount of whole milk or butterfat purchased, the date of purchase, and the name of the seller will be considered as satisfactory evidence of sale.

The War Food Administration will make payments to farmers delivering whole milk or butterfat to farmers delivering whole milk and butterfat to offset increases in dairy feed costs since September, 1942. These rates are applicable for October, November and December, 1943, the period for which the dairy feed program has been announced. The rates of payment for all Nebraska counties are:

Whole milk 30c per cwt.; butterfat 4c per lb.; butter 3.2c per lb. (80% of the butterfat rate); cream .8c per lb. (20% of the butterfat rate).

The scrap drive for Holt county closes on October 23, but this does not mean you are not to haul in your scrap. We do not have a definite total of the scrap collected in the county so far, but hope to have it by next week.

We have feed wheat ordered for O'Neill, Atkinson and Stard. If

you are in need of any feed wheat—place your order with us. Wheat is being unloaded at frequent intervals at O'Neill and Atkinson. The present price for November is \$1.10—subject to change.

Arrangements have now been made to handle your cream stubs and make application for dairy payment. Please present to this office before November 30, 1943, evidence of your sales of cream and milk for the month of October. This can be done by mail or by personal call. Dairy producers who retail milk will need to substantiate their claims by submission of customers' lists or other supporting evidence. Producers who sell butter to consumers, local stores, etc., will need to obtain receipts from buyers or other evidence of sale. Receipts furnished by creameries for butterfat deliveries will constitute satisfactory evidence. The first payments will cover the October deliveries of dairy products. Be sure to file your evidence.

Harry E. Ressel, Chairman, Holt Co. AAA Committee.

Miss Irene Gilday and Miss Virginia Loeffler left Monday for Los Angeles, Calif., where they will spend a month visiting relatives and friends.

Mr. and Mrs. C. L. Wilson and family spent the week-end in Sioux City.

Miss Lanone Miles returned to Grand Island on Monday, after visiting her parents, Mr. and Mrs. G. E. Miles, and other relatives and friends over the week-end.

Keeping Faith

Consumers Directors Reiterate Offer To Nebraska Cities And Villages

for only \$1

Any City or Village served at retail by Consumers may have its own Debt-free electric distribution system.

RESOLUTION of Consumers Public Power District NO. 399

Adopted: October 5, 1943

STATING THEIR POLICY WITH REFERENCE TO THE TRANSFER OF ITS PROPERTIES TO CITIES AND VILLAGES

WHEREAS, this District, from the beginning, has made it clear that willing to deliver to the cities and villages which it serves, the distribution systems in such cities and villages, and it seems desirable that a formal Resolution to that effect be made a matter of record and delivered to the cities and villages served.

NOW, THEREFORE BE IT RESOLVED:

FIRST: That upon the payment of all lawfully outstanding bonds and debentures of this District, the District will, by bill of sale or other proper instrument of conveyance, transfer and convey, free and clear of all encumbrances, to any city or village in which the District operates, or in which the City or Village shall desire to acquire the same.

SECOND: Until such bond retirement and property transfers, the District renounces and restates its plan, purpose, policy and intention to continue to regularly retire its bonds and to continue rate reductions to its customers whenever and wherever possible, consistent and compatible with good service and with the obligations of the District to retire its bonds.

THIRD: The District will, subject to the control at all times by the Legislature of the state, endeavor to bring the benefits, economies and advantages of the combined operation of its facilities to all of the persons and communities which it serves.

FOURTH: That the proper officers of the District are authorized and directed to transmit to each of the cities and villages served by the District, a copy of this Resolution, together with a letter of transmittal as approved by this Board, more fully explaining this Resolution.

Consumers bonds are paid promptly and according to schedule with funds set aside each month from earnings. During its period of operation—averaging approximately two and one-third years, much of which has been during difficult wartime operating conditions—Consumers has allocated more than \$3,000,000.00 of its earnings for the payment of bonds. This is your assurance that Consumers bonds will be paid when due.

Consumers Public Power District is owned by the people and is efficiently operated for their benefit—giving Nebraska electric users the advantages of the economical group operation of their own electric system.

Yet, Consumers Directors have, from the beginning, expressed their willingness that any City or Village served at retail by Consumers Public Power District may, for the payment of \$1.00, take over ownership and operation of their electric distribution system when the bonded obligations have been paid off. This offer was repeated and definitely made a matter of policy when resolution No. 399 was passed recently by Consumers Board of Directors.

EMMET NEWS NOTES

(Continued from page Four)

Winkler went with him as far as Osmond and visited her sister there.

Beulah Grace Siders and Mrs. Maggie Siders were guests at the William Luben home last Sunday.

Leona Fern Beckwith visited the Emmet School Thursday.

Mrs. Guy Cole and daughters, Lois and Joanne, drove to Lincoln last week end, where Mrs. Cole attended to some business concerning salvage. Mrs. Ruth

Rector and Mrs. Esther Cole Harris accompanied her on the trip. While she was in Lincoln Mrs. Cole managed to combine business with pleasure. She acted as house mother and entertained the boys of the Sigma Nu fraternity with a pheasant dinner. Her son, Zane, who is a member of Sigma Nu, and 23 other guests were present.

Mr. and Mrs. Harden Anspach of O'Neill, spent Sunday at the Leon Beckwith home. John Conard accompanied Ly-

nus Howard on a hunting trip to the Missouri river last Friday. We understand that pheasant hunting was good.

Dean Beckwith is building a barn on the land that lies north of the William Newton home.

The Charles Fox and Dever Fox families were guests at the Robert Fox home Sunday.

Miss Dorothy Fox, daughter of Mr. and Mrs. Robert Fox, became the bride of Lt. Erwin Kramer on October 22 in Chapel No. 4, in Columbia, South Caro-
