Come On In---

The Mileage is Fine

If you really want to get low-cost tire mileage, let us fix you up now with a set of new Goodyears.

Quality considered Goodyears are the lowest-cost equipment you can buy, and you will have the satisfaction of knowing that no one gets a better tire or a better price than you do.

No "special deals," no "extra discounts," no "long trade," line of taffy here—just "The World's Greatest Tire," at as low a price as quality can be sold.

You'll save a lot—we'll make a little—and we'll both be happy. Come on in—the mileage is fine.
