COUNTY SCHOOL MEN'S CLUB ORGANIZED AT ATKINSON

The first regular meeting of the newly organized Holt County School Men's Club was held in the Leland Hotel at Atkinson on Saturday evening, October 20. The eleven men present enjoyed several musical numbers, which were furnished by Atkinson people, before the dinner was served. Superintendent Pease of Atkinson, president of the club, was "master of ceremonies." The feature of the evening was a talk by Judge Malone, who gave a number of exceedingly interesting reminiscences of school life in this county during pioneer days. Several striking comparisons as regards buildings and other material equipment, salaries, and so forth, "then" and "now," were made by the genial Judge. His talk brought out the fact that we may well be thankful that we are teaching in the present generation instead of during an earlier period. The Judge, with the hearty approval of all present, termed himself the "Dean of the School Men of Holt County." We trust that it may be our good fortune to have Judge Malone with us on many future occasions. A committee consisting of Messrs. Metcalf, of Page, Collins of Inman, and Jones of O'Neill was appointed to make plans regarding the place and program for the next meeting which will probably be held sometime in December.

HON. J. A. BURNQUIST SPEAKS AT ATKINSON

Henry Kerstead a prominent German speaker was scheduled to make several political talks in this vicinity this week, but was unable to do so because of injuries received in an auto accident in Fremont the first of the week. Hon. J. A. Burnquist, former governor of Minnesota, who was to speak in O'Neill Wednesday was taken to Atkinson to fill the date for Mr. Kerstead. The decision to go to Atkinson was reached at so late an hour that the committee were unable to notify the people and as a consequence a large number of voters were here from different parts of the county and were greatly disappointed.

JUNIOR THOMPSON ACCIDENTALLY SHOT

Junior Thompson, 6-year-old son of Charles Thompson, who lives 22 miles south of O'Neill, Wednesday afternoon accidentally shot and killed his younger brother, Frederick, 5. The father and two sons were in the corn field shooting rabbits when the tragedy occurred.

Mr. Tompson laid his gun in a wagon and Junior picked it up to examine it. As Frederick approached the gun was discharged, shooting him through the head and killing him.

AUTO ACCIDENT FATAL TO MR. AND MRS. WILL ORSBORN

Will Orsborn of Ewing, Nebraska, was almost instantly killed, and his wife so badly injured that she died Wednesday morning, when their Ford sedan turned over with them about ten o'clock Saturday forenoon on Highway No. 8, twelve miles north of O'Neill.

Mr. and Mrs. Orsborn were enroute from their home in Ewing, Nebraska, to the home of their son Ray and family at Lynch, Nebraska. The fatal accident occurred on the north end of the first jog west in the highway north of O'Neill; Mr. Orsborn stated to John A. Robertson, who arrived at the scene of the wreck a few minutes before he passed away, that he thought that the road turned to the west instead of to the east at that point and that he discovered the mistake when it was too late to make the turn; the car plunged over the embankment and turned over onto the top pinning Mr. Orsborn beneath but throwing Mrs. Orsborn clear of the wreckage. Mr. Orsborn was injured internally and passed away a short time after he was removed from beneath the car; he was able to converse with his rescuers up until the time he died and no one thought that he was seriously injured.

Mrs. Orsborn suffered a broken right arm, severe scalp wounds, and a number of wounds on the face; she was unconscious when found and remained in the same condition until she died. She was an invalid; having lost the use of her right side about five years ago as the result of a paralytic stroke.

No one saw the accident but Mr. Orsborn stated that a number of cars had passed each way before a small boy who was out hunting with a small rifle happened along and stopped a car. George Harrington and M. R. Sullivan of this city were among those who assisted in caring for the victims.

Mr. Orsborn was brought to the Biglin undertaking parlors where the body remained until Monday, when it was taken to Ewing; funeral services were held from the family home in Ewing at two o'clock Tuesday afternoon, conducted by Rev. M. A. Frazelle, pastor of the Episcopal church. Burial was

in the Ewing cemetery.

Wm. Orsborn was born December 15, 1860, at Amboy, Illinois. They came to Holt county in the fall of 1905 and located near Dorsey, where they owned and operated a farm for twenty years prior to three years ago when they moved to Ewing, Nebraska.

Mr. and Mrs. Orsborn were the parents of six children, five daughters and one son, Mrs. Chas. Reynolds, Marshall, Missouri; Mrs. Hurley Binkerd, Lynch, Nebraska, deceased; Mrs. Ora Thomas, Lead, South Dakota; Mrs. Herbert Webb, Ewing, Nebraska; Ray Orsborn, Lynch, Nebraska.

Mrs. Ella Elmira Orsborn was born December 15, 1871, and passed away in the Dr. Gilligan hospital in this city at 8:30 o'clock Wednesday evening. The remains were taken to the family home in Ewing this Thursday morning. The Frontier is unable to collect any data to Mrs. Orsborn at this time.

Mr. and Mrs. Orsborn were well known by the old settlers of the north eastern part of the county; their many friends will learn of their death with deep sorrow.

The children were all present at the funeral services for their father as was also a sister, Mrs. Frank Coltrin and son, Fairfield, Nebraska.

THE FRONTIER OFFICE WILL RECEIVE RETURNS

The Frontier is completing arrangements for receiving the election returns from all parts of the county on the night of November 6th. The office will remain open all night and we urge all election boards to copy the final results from the poll books and phone the result to The Frontier office. If it is necessary to go through a pay station, we will pay for the reverse call.

Everybody is deeply interested in the results this year and again we ask our readers to see that we receive the returns as quickly as possible.

A. E. Bowen will install an electric radio in The Frontier office to receive the National Broadcasting Co. program reports on election.
