LININGER-KRUNTORAD.

Cloe Lininger, of Norfolk, Nebraska, and Miss Agnes Kruntorad, of Pierce, Nebraska, were united in marriage at the Presbyterian manse by the pastor, Rev. H. H. Beers, at nine o'clock Tuesday morning. Mr. Lininger is an electrician in Norfolk. He and his bride-to-be drove to O'Neill Monday afternoon—armistice day; everything was closed for the afternoon so the ceremony was performed Tuesday morning as soon as the license could be secured. They returned to Norfolk immediately. They were accompanied by Lloyd Haase and Miss Emma Kruntorad; the latter is a sister of the bride.

MAYTAG SALES CONVENTION.

Dealers and Salesmen are meeting here today from northeast Nebraska. Speakers on the program were as follows: County Attorney Julius D. Cronin, J. R. Mickelson, supervisor; F. G. Johnson, Divisional Manager; and Sam Greisch, District Manager. The meeting was held to give praise to the dealers and salesmen for the good work being done in this territory and discuss future sales plans as well.

Nebraska salesmen are closing the most successful year they have ever experienced in selling Maytag Washers. The Northwest as a whole reports they have showed an increase of about 45 per cent over the same period of last years sales.

Much stress was laid on the farm machine, which is available for homes without electricity. H. W. Tomlinson is the local salesman.

RED CROSS ROLL CALL.

In response to the plea of the American Red Cross for a national roll call of 5,000,000 members from November 11-29, 1928, the O'Neill Branch urges the citizens of O'Neill to join this great humanitarian organization to the end that O'Neill may subscribe its quota and thereby acknowledge gratitude to the organization for its magnificent work in alleviating distress in national calamities.

The local roll call is now in progress. Anyone wishing to join may contribute his dues (one dollar) to one of the following officers: Mrs. P. J. O'Donnell, Mrs. J. P. Gilligan, Mrs. R. L. Arbuthnot, C. P. Hancock.

The officers of the O'Neill Branch wish to call to the attention of the subscribers the fact that half of the money subscribed remains the property of the local organization to be used for assisting in local distress.

ASKS SENATOR NORRIS TO RESIGN POSITION

J. H. Meredith of O'Neill Points To Repudiation By People. (Norfolk News.)

You take no chances in trading at our store. We guarantee everything we sell.

W. Norris.

Hon. George W. Norris, McCook, Nebraska.

Dear Sir: After more than thirty years following you ardently, I very much regret to have to part company with you, this fall particularly.

I can readily see now, that you have, through all the years of your political life, been destructive instead of constructive in all your actions, this is notably true in your war record.

It is now plainly seen how strongly your influence goes, and how powerful you are on the stump not only in Nebraska, but Minnesota and Wisconsin as well.

I am proud to be one of the 143,000 majority voters of this state that think you have misrepresented us in the upper house at Washington too long, and trust that you will avail yourself of your "lame duck" ideal, and have the decency to give Arthur J. Weaver your resignation as soon as the short session expires, to the end that this great Commonwealth shall have a representative at Washington.

Respectfully yours,
J. H. MEREDITH.

REV. BALLARD WRITES JAW BONE NOT BROKEN

A letter from Rev. G. W. Ballard, of Chester, Nebraska, to The Frontier states that the "broken jaw bone" was infected antrum and sinus. Rev. Ballard writes in part as follows:

"The local doctors gave up and sent for a specialist, Dr. Humpus, of Lincoln, and a trained nurse. I guess I was about to the jumping off place. Dr. Humpus said that forty-eight hours more and the undertaker would have been sent for instead of the doctor. I am now just able to be up and about the house for a few minutes at a time. The nurse has gone back to Beatrice and Mrs. B. and a local doctor are attempting to care for me. My trouble came originally from a tooth that was pulled, an antrum broken into and a hemorrhage that lasted hours with a great loss of blood. I guess I am on the road to recovery now."

LIEUT. JOHN LONGSTAFF BECOMES A BENEDICT

This clipping is taken from the Sunday Boston Globe:

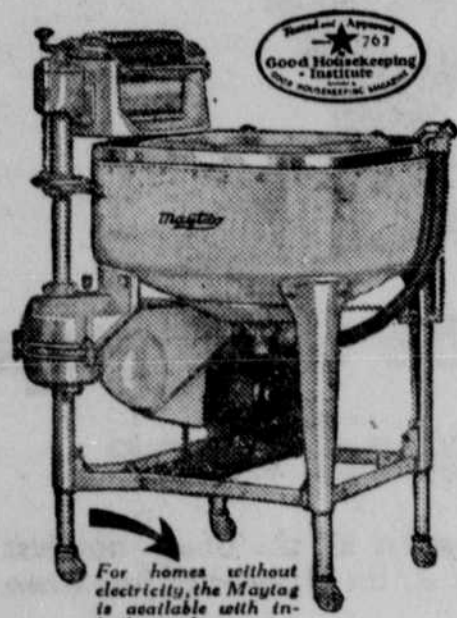

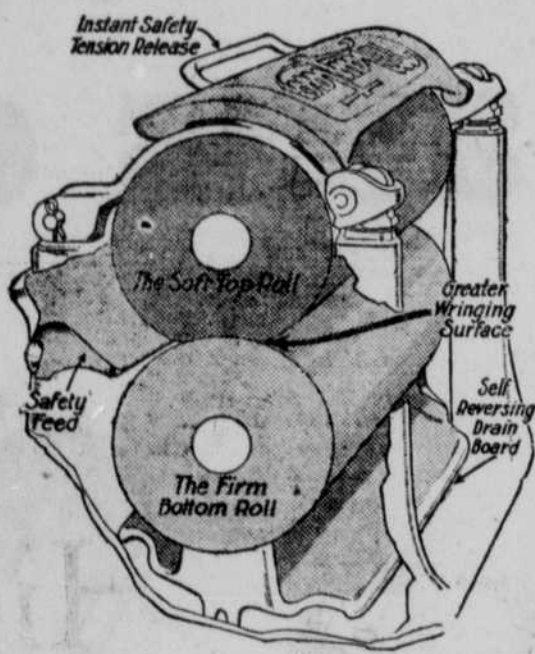

"A military wedding with all the beauty of color and the dignity of military bearing and formality was the one yesterday afternoon of Miss Vera Harriet Owen when she became the bride of Lieut. John Bailey Longstaff, U. S. N. The ceremony took place at 4 o'clock in the Universalist Church of Gloucester, Rev. Dr. John Clarence Lee officiating. Clad in a long-sleeved white satin gown with tulle godets and with a very long tulle veil held in place by a lovely cap of old family lace, caught with clusters of orange blossoms, the bride was a charming picture. She carried a shower bouquet of lilies of the valley. Miss Elizabeth Bates of Springfield was the maid of honor. She was attired in a coral transparent velvet gown with a tight bodice and a three-tiered skirt dipping at the right side. She wore a large hat of matching velvet trimmed with a tailored bow at the right side and around the brim to soften the line. Matching slippers and a bouquet of rapture roses and larkspur completed the costume. There were six bridesmaids, all gowned in sapphire blue transparent velvet gowns after the model of the maid of honor's. They wore large hats to match and carried bouquets of pink roses. These attendants were Miss Snyder Raynes of Rockport, Miss Elsie Longstaff of Hansen, Nebraska, a sister of the bridegroom; Miss Geor-

giana Walters of Winchester, Mrs. Eric Berg of Hebron, Me.; Mrs. Martha White of Lowell, and Mrs. Warren Mansur of the same city. Lieut. Longstaff, who is the son of Rev. and Mrs. Geo. Longstaff of Hansen, Nebraska, had as his best man Lieut. Peyton Harrison, U. S. N., of St. Louis, Mo. At the conclusion of the ceremony at the altar the six ushers marched from the church and formed an arch of crossed swords under which the bride and bridegroom passed, followed by the seven brides attendants. The wedding reception was held at

Villa Miramar, the Magnolia residence of Mr. and Mrs. Michel Vucassovich. The house was attractively decorated with pink chrysanthemums and greens, and the host and hostess assisted the bridal couple in receiving. The engagement of Miss Owen, who is the daughter of Mrs. Herbert William Owen and the late Mr. Owen of Dover, N. H., and Gloucester, to Lieut. Longstaff was announced in July of this year. Following their wedding trip Lieut. Longstaff and his bride will be in New York until after Christmas."

A Marvelous New MAYTAG Feature—

The Soft-Roller Water Remover

THIS sectional view of the New Maytag Roller Water Remover shows how the semi-soft, balloon-type upper roll hugs the bottom roll, thus increasing the actual working surface three or four times.

In like manner, the roll flexes about the seams, folds and lumps in the clothes, removing both soap and water evenly from all parts of the garment. This results in quicker, more even drying on the line, and no yellow spots. Buttons, buckles, snaps or an ornament go through safely. Then, too, there is a safety feed board, an automatic

tension adjustment, a drainboard which reverses itself and an instant safety release. The Roller Water Remover is compact, all metal and all gears are thoroughly enclosed. It swings and locks in seven different positions. Can you imagine anything more complete and convenient? Do you wonder that it has been a sensation?

Maytag dealers everywhere follow the standardized rule of sending a Maytag to a home to do a week's washing free, and without obligation of any kind. This is the way all Maytag Aluminum Washers are sold. The Maytag must sell itself.

Maytag Aluminum Washer

To the first half-million new Ford owners

To the half-million men and women who have received new Fords in the last eleven months, there is no need to dwell on the performance of the car.

You have tested its speed on the open road. In traffic you have noted its quick acceleration and the safety of its brakes. You know how it climbs the hills. On long trips and over rough stretches you have come to appreciate its easy-riding comfort. Continuous driving has proved its economy of operation and low cost of up-keep.

This is an invitation to you to take full advantage of the service facilities of the Ford dealer organization so that you may continue to enjoy many thousands of miles of carefree, economical motoring.

The point is this. You have a great car in the new Ford. It is simple in design, constructed of the best materials and machined with an unusual accuracy. It is so well-made, in fact, that it requires surprisingly little

attention. Yet that doesn't mean it should be neglected. Like every other fine piece of machinery, it will serve you better and longer if given proper care.

One of the best ways to do this is to take your car to the Ford dealer every 500 miles for oiling and greasing and a checking-up of the little things that have such a great bearing on long life and continuously good performance.

Such an inspection may mean a great deal to your car. To you it means thousands upon thousands of miles of motoring without a care—without ever lifting the hood.

Ford dealers everywhere have been specially trained and equipped to service the new Ford. You will find them prompt and reliable in their work, fair in their charges, and sincerely eager to help you get the greatest possible use from your car for the longest period at a minimum of trouble and expense. That is the true meaning of Ford Service.

FORD MOTOR COMPANY
