### THE SCHOOL BOARD ELECT CORPS OF TEACHERS

At the regular meeting of the public school board held Monday evening, March 4th, Professor Guy C. Miller was elected for a period of three years, with an increase of salary amounting to \$200 a year for three years.  
At a special meeting last Friday evening the following high school teachers were elected:  
R. V. Jones, principal and coach; F. J. Brokeney, commercial teacher; Florence Biegley; Ruth Kraemer; Catherine Lawler; Aleene Latta, Domestic Science; Margaret Henderson, Opal Turner, kindergarten and music; Mary Horiskey; Winnie Shaughnessy; Nettie Cromwell; Rachael Robertson; Ella Caffrey; Ireneia Biglin; Ruth Coburn, ward school.

### WAYNE WERNER FINED ON LIQUOR CHARGE

Wayne Werner, residing north of Emmet, was arrested by a federal officer and brought before District Judge Dickson Tuesday morning, charged with the possession of a still and mash. Judge Dickson assessed a fine of \$500 and thirty days in the county jail. The fine was paid; the defendant was given until December 1st to begin the serving of the sentence.

### CRETE COACH CLAIMS HONOR FOR DEAD STAR

The following article, taken from a daily paper, refers to a brother of John Kersenbrock of this city.  
Crete, March 4.—A basketball coach spoke up Monday for a boy who could not speak, to claim for that youngster an honor which has been placed on the shoulders of another.  
Coach L. F. Klein, director of athletics of Crete high school, disputes the claim that Malcolm Jones, McCook star forward, has a national high school scoring record with his 244 points.  
"It is my pleasure to inform all that the late Kersenbrock, while a member of the Crete high school, scored 444 points in the season of 1924 and 1925 in 24 games against the best teams of the state at that time. He scored 196 field goals for 302 points and made 52 free throws. From this, it can be seen that his record gives boys over the state, and in the United States, something to shoot at."  
The scoring title was claimed for the McCook athlete a few days ago when he surpassed a supposedly national record made by Morris Fisher, former Lincoln high player and now a member of the University of Nebraska five.  
Kersenbrock, as Nebraska fans remember, was drowned little more than a year ago while a student at the University of Kansas. He was a giant in stature.

**ATTENTION MOTHERS.**  
Miss Grasskamp, the Red Cross nurse, will meet with the mothers of pre-school age children from nine 'till four o'clock next Saturday at the Public school.  
Bring your children any time during these hours. She will examine your children and advise you along any line you might desire. This is a wonderful opportunity and the service is yours for the asking.

## Long Life—Efficient Spreading—You Want Both

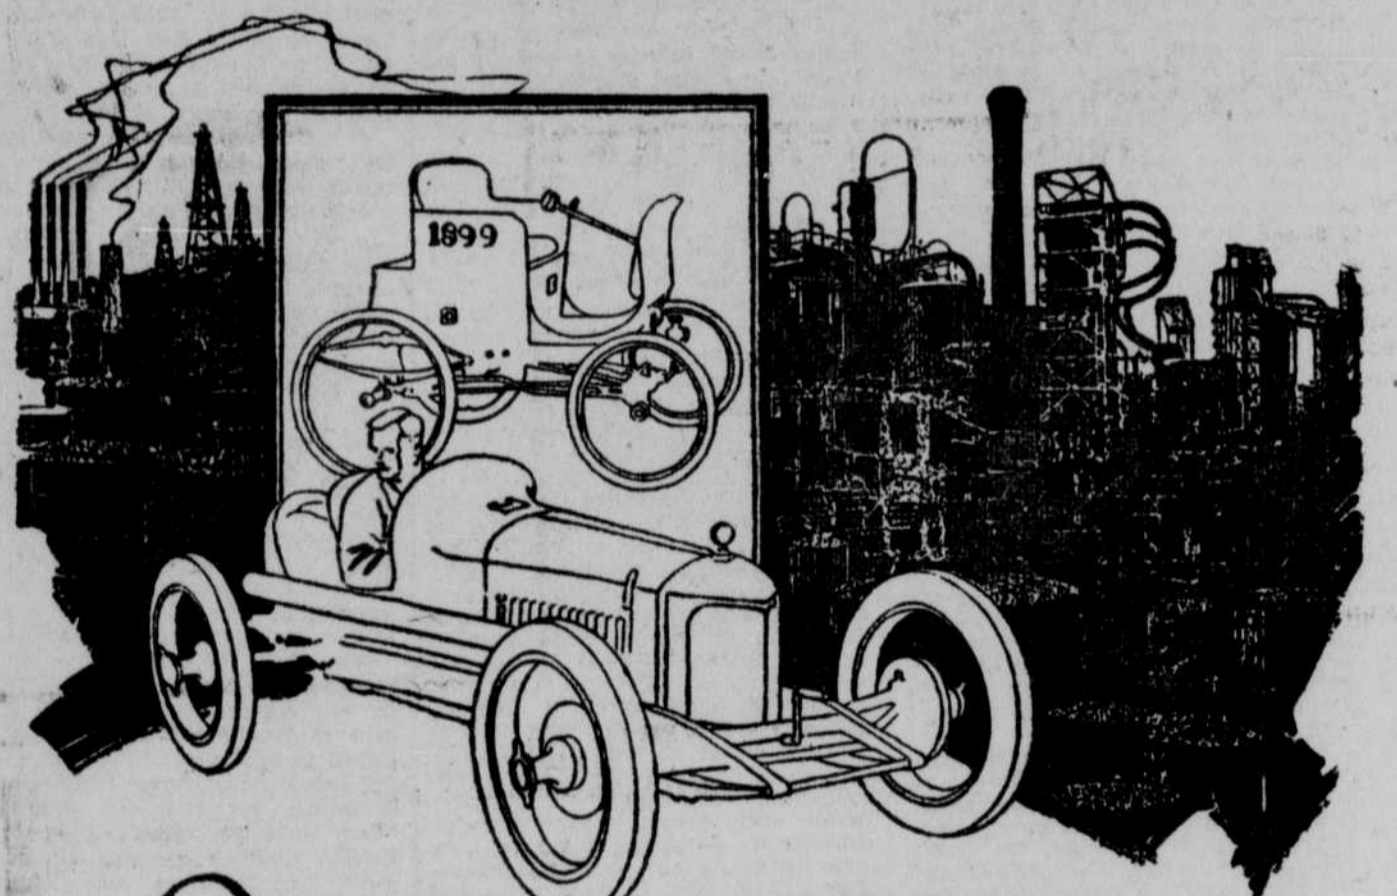

### John Deere Spreader with the Beater on the Axle

When you buy a new spreader you want to be sure you are getting a machine that will last you for many years and give you a good job of spreading. The superior construction and good work of this New John Deere has been proved conclusively on the farms of thousands of users in every farming section.  
When you compare the John Deere Spreader with other spreaders, you will be quick to see the outstanding qualities it possesses for your work.  
Here are six advantages you'll find in the New John Deere Spreader:  
(1) Only 36 inches to top of box—easy to load.  
(2) Drive wheels 4 to 8 inches higher than others—easier on your horses.  
(3) Beater and important working parts are mounted on axle—beater is near ground—manure is not thrown high in the air.  
(4) Simple beater drive gears are enclosed and operated in an oil bath—no adjustments.  
(5) Beater teeth do not work against the manure.  
(6) Revolving rake, also a patented feature, prevents bunching and decreases the draft.

Talk to your neighbor who owns a John Deere and drop in and see the latest John Deere at our store.

## "There is no Substitute for Experience"

## The PACE SETTER—since the days of the first Automobile

Back in 1899 Conoco Gasoline propelled the one cylinder "horseless carriages" which were the sensation of the day.  
In spanning the years to the days of high compression engines, Conoco has kept ahead of actual motor fuel requirements. Today Conoco, the Triple Test Gasoline, is the fuel in greatest demand for quick starting—snappy pickup, and extra power and mileage.
