

1st in economy

For quality products and obliging service, buy gasoline and motor oil where you see the Red Crown Sign.

Nebraska's experienced motorists buy Red Crown Gasoline because it is always uniform and dependable and assures more miles per gallon.

Red Crown Ethyl Gasoline gives motors more flexible power and smoother operation. There's less gear shifting and gas knocks are ended, even in carbonized motors. Try it.

THESE TWO QUALITY FUELS MEET ALL MOTOR NEEDS

HIGH SCHOOL NEWS.

HEART TROUBLE.

By Charles Graham, Editor
Editor Ambrose Rohde has resigned from his official position as editor of the O'Neill High News, due to heart trouble.

We are sorry to lose such a good editor and sincerely hope that Ambrose will fully recover. Now they have appointed me editor and I am having an awful time thinking up an editorial. I will just write one on the heart and from the heart. The heart is merely a hollow pump. The pump of life. Its walls are made of heavy muscles and it is the most important muscle in the body. If other organs of the body stop, we linger on, but if the heart stops we stop, too.

We find in the heart a large number of new cells which at the command of the brain, control the heart. These nerves are very sensitive and are quickly affected by almost every possible influence. For instance, heat affects them very much, as you will notice your heart beats more rapidly when you are hot. Then all sorts of things in the blood affect the nerves such as alcohol and gasses.

After all, the whole body exists for

the sake of the brain and if the brain could not control the heart, things would soon go wrong. For instance when we are sitting upright, the work required to send enough blood to the brain is harder than when we are lying flat. It is therefore necessary that the heart beat more rapidly when we stand or sit upright than when we are lying down.

There are different diseases of the heart some are curable while others are incurable. Leakage of the heart and athletic heart cannot be cured. Other diseases as heart burn and heart ache are curable, I've heard.

TRACK TEAM.

George Abdouch
The track squad has been practicing daily for about three weeks. The prospect for a good team looks good. Dick Tomlinson, that old War horse, is throwing the discus. So far, we are using bird dogs to chase the discus down. Charles Graham is running the 100 yards and is in fine shape. The first trials against time were held Tuesday.

"The play's the thing!" Tuesday night, K. C. Hall!

Are your ears O. K.? Listen to O. H. S., Saturday, Yankton.

SENIORS.

THE COVERALLS.

By Virgil, official Senior News Hound
Did you know that:

We have several different sizes, ages, and types of Seniors?
Joe Donohoe is the biggest senior, and without the big head?

Gladys Williams is the tiniest senior but she has a big heart?

We have quite a distinguished young man, Ensign Charles Hancock, we hope?

Charles Hancock has an average of 92.4?

That the editor of O'Neill High School News was Ambrose Rohde, Senior? He has resigned recently and Charles Graham, another Senior, has taken up the reins?

Francis Kimbrough has quite a habit of blushing when a girl speaks to him here lately?

Francis Tenborg sleeps quite often in his classes?
Charles Graham thinks climbing flag poles is hard on his shins, but he hasn't given up yet?

Bennett Gillespie is a radio mechanic?
Loretta Saunto is one of the nicest Seniors?

Pinkie is a great yell leader?
Virgil is—well—judge for yourself.

THE SENIOR PLAY.

The Senior play has been selected and the name will be "Smile, Rodney, Smile."

Come to the Junior Play, K. C. Hall, Tuesday night.

HASH.

Sophomores.

Also by Virgil.
The Sophomores have learned considerable since they were Freshmen. Most of them know their A. B. C.'s now. They are getting so they can count to a hundred. They are learning fast. Calvin James and George Abdouch are getting along fairly well.

Freshmen.

There isn't much to say about the little Freshies, only they are starting on their A. B. C.'s also. They have gotten as far as the D.'s, so they are proceeding with great rapidity. They should grow fast in the spring; most green things do.

FOOTBALL LETTERS.

By George Abdouch.
Last Friday, Coach Jones presented the football letters to those who won fame on the gridiron last season. Those receiving reserve letters are: John Hamilton, Charles Meyers, Francis Curran, Garland Bressler, Scott Hough, Lyle Green, Bruce Rummel and Shobert Edwards. The Freshmen gave a good account of themselves by having Reserve letters presented to five members of their class. Those

receiving reserve letters should not be under-estimated because in many ways they deserve as much credit as the first string of men. They are used as dummies for the first team and battered night after night but still they come out like men. First team letters were presented to Captain Julian Rummel, George Abdouch, Levi Fuller, Bill Griffin, Joe Donohoe, Dick Tomlinson, Chas. Graham, Chas. Green, Tommy Thompson, Floyd Davidson, Edgerton Haskins, Ray Toy, Clarence Ryan, and Ambrose Rohde. Three of the first team letter men will be lost through graduation. The prospects for a good team next year look bright at the present. Julian Rummel was unanimously re-elected for the next year.

Listen to O. H. S., Yankton, Saturday, 10:30 a. m. and 3:30 p. m.

IMPROVEMENTS.

The School Board, in special session, let a contract to landscape and beautify the school campus. This is a great step forward in civic improvement and pride.

Come to the Junior Play!

Scrub your ears for Saturday, April 13th; tune in on Yankton at 10:30 and at 3:30.

IN OUR SCHOOL.

By Anita Liddy.

We Juniors are happy to know that the Seniors get to much "kick" from seeing us have a good time and I'm quite sure that if the Seniors will reconsider, they will find that we are very much alive. We could mention a few details which would make the Seniors blush.

English XI Banquet.

The English XI classes have been learning to give toasts. Some very interesting ones have been given in class, but we decided we could give better ones if we had a real banquet. On Monday evening six o'clock dinner was given.

The Radio was the topic of the following program:

- "National Broadcasting System," Grace Hancock, Toast Master.
- "Hook-up," Ralph Tomlinson.
- "Aerial," Edwin Getscher.
- "Loud Speaker," Florence Roseler.
- "Tuning In," Exlaura McDonough.
- "Static," Bruce Rummel.
- "Station OHS," Loretta Saunto.
- "On the Chain," Austin Schreiner.

The following menu was served:

- Fruit Cocktail
- Meat Loaf
- Banana-Peanut Salad
- Rolls
- Olives
- Cake
- Coffee
- Mashed Potatoes

This was the slogan for the evening: "Eat, drink and be merry for tomorrow—we may have to make another payment on that radio."

At the Junior Class meeting Monday evening several matters were discussed. Committees were appointed by the President to take charge of preparing for the Junior play and for the Junior-Senior Banquet.

The Junior Play has been postponed until Tuesday, April 16th.

N. B.—I thought, perhaps, I should not write about the people of school this week because Donald Boshart says I am "slandering" his people.

Also N. B.—Let's hear some good gossip, Anita, if Donald will condescend to give his gracious consent.

Come to the Junior Play, Tuesday, April 16th, K. C. Hall.

Listen in on O. H. S., Saturday, April 13th, over Yankton, 10:30 and 3:30. We hope you'll like it. Tell us!

O'NEILL HIGH BROADCAST.

The O'Neill High School is going to give two half hour programs over WNAZ, Yankton, South Dakota, Saturday, April 13.

The program will consist of choruses given by the faculty and Glee Club, duets, solos, trio's, readings, and selections by the orchestra.

One of the half-hour programs will be broadcasted at 10:30 a. m. and the other at 3:30 p. m. Listen in to O. H. S. and tell us how you feel about it.

Miss Mary Graskamp, itinerant Red Cross Nurse, who has, for the past twelve weeks, worked in the O'Neill Public Schools and St. Mary's Academy, will leave Sunday for her home in Fountain, Minnesota.

While here Miss Graskamp has made many friends and has accomplished much in her line of work. We regret her departure and wish her equal success in her future work.

Watch next week's School News for a resume of her work.

Miss Rachel Robertson entertained at Sunday dinner at her country home for Miss Mary Graskamp, Miss Allene Latta, and Miss Nettie Cromwell.

Miss Ella Caffrey has been called to her home at Orleans to attend the funeral of her brother-in-law.

All High Carnival.
We are planning an all High Carnival for Friday evening, April 19th. The proceeds will go to cover the athletic deficit.

Moving Day.
