The Wedding March

Er Erich Von Stroheim AND FAY WRAY

ARE ARE WOMEN PLAYTHINGS? Are they merely the companions of idle moments? Are they only the romantic interludes in the serious business of living? To the dapper, pleasure-loving Prince Nicki they were. Until he discovered love and seized the fragrance of its flower crushed.

VIENNA, the colorful city, Pictured in colors. Royalty, majestic, surrounded by a brilliant entourage magnificently equipped in a thousand varieties of colorful uniforms. Gleaming sabers, smartly caparisoned horses. An exciting scene in colors in "The Wedding March."

Come in and get our prices

Some car owners fondly believe that by looking at a tire they can tell how it will stand up. And so they shop around buying tires according to price. The trouble is that even the cheapest tire can be made to look all right. The only way to be sure is to buy from an authorized dealer—the established agent of a reputable concern.

We sell United States Tires. They are a quality product, fairly priced. Call on us and be sure of the tires you buy.
