PABST CORPORATION STARTING A CAMPAIGN

Dealers who sell bottled beverages! You are going to have a lot more of those smiling customers who smack their lips and say "That's the real old-time flavor. Give me another bottle of Blue Ribbon Brew." It's sure to happen, because the Pabst Corporation of Milwaukee is launching a big advertising campaign this week to boost the sales of Pabst Blue Ribbon Brew in O'Neill.

Powerful human-interest advertisements will be run week after week in the Frontier putting over the undeniable fact that Pabst Blue Ribbon Brew has that real old-time flavor. Attractive illustrations and short snappy copy will be forcefully combined to ring out the message of this remarkable beverage—"The Brew that brings back memories." The second of these advertisements will appear in the Frontier on July 4th.

The Pabst Blue Ribbon label needs no introduction to the dealers of O'Neill. Very few of you can remember when you first saw the Blue Ribbon label—it's one of the oldest and most highly regarded labels in the beverage business.

The Pabst Corporation claims this new product, Pabst Blue Ribbon Brew, is different from anything you have tasted since the coming of prohibition. They say no similar product on the market today will compare with its appetizing aroma and delicious taste. It is the first beverage of its kind to perfectly reproduce the old-time flavor which millions of people had thought was gone forever. Pabst Blue Ribbon Brew is the result of a remarkable new process perfected by Dr. Schedler in the Pabst laboratories after several years of research. Hundreds of experiments were made to perfect the formula drink. At last it was perfected and experts say this delightful brew savors perfectly of "the good old days." The food value has been increased; it is flavored with the finest imported hops and is properly aged as in the pre-prohibition days. Blue Ribbon Brew rightly deserves its title of "The brew that brings back memories."

Thousands of people in this city have been waiting for just such a drink as Pabst Blue Ribbon Brew. When Pabst advertising gets into full swing every dealer in O'Neill should enjoy a quick turnover and greater profits than ever before derived from a beverage of this type.

Every dealer in this city should get

More per Gallon but LESS per Trip

That's the economy of CONOCO-ETHYL GASOLINE

DURING the summer, when long motor trips are in order, a most important cost factor is wear and tear.

Every time the motor knocks, it is undergoing unnecessary strain. Its life is being shortened—its resale value reduced.

That's why we say, that in the long run, Conoco Ethyl Gasoline will cost you less per trip. Conoco Ethyl absolutely eliminates knocks. It delivers full power with every stroke of the piston. It gives lightning pick-up in traffic driving. In short, it provides a surge of power—up the hills or on the level—which keeps your motor gliding along with practically no effort. That's economy! Give Conoco Ethyl a trial. See how cool it keeps your engine, and experience the real satisfaction of having your car run as the manufacturer intended it should. You'll find a convenient Conoco Ethyl pump ready to supply you.
