Ever have anybody

PROVE to you why one tire is better than another?

I'd like to have a chance to do that—with Goodyear Tires.

I wouldn't spend time talking—I'd demonstrate!

I would show you how, in both tread and carcass, the Goodyear Tire is definitely superior.

I'd demonstrate the reasons for Goodyear's superior traction.

I'd demonstrate also the reasons for Goodyear's longer carcass life.

Just give me a chance—the information will be worth money to you.

Drop in anytime and make me prove what I say.
