"Ask the owners," we have frequently suggested, in recommending Williams Oil-O-Matic to those still struggling with heating discomforts, work and worry.

Prospective purchasers we find, do ask Oil-O-Matic owners for candid reports on its performance under actual working conditions over a period of years. And then we find them buying Oil-O-Matics for themselves.

Follow this suggestion yourself: Phone us for the names of Oil-O-Matic owners in O'Neill—ask them about Oil-O-Matic performance. Then buy now.
