

A FRIEND YOU'RE GLAD TO MEET the CONOCO RED TRIANGLE

"I was glad to see your sign as I rounded that curve . . . it's a STOP sign with me!"

TOURING! Many are its petty annoyances—but many its pleasures! Much depends upon the way your car performs. If your motor hums along softly, smoothly, sweetly—all is well! And that depends mostly on your oil. That's the reason so many motorists greet the Conoco Red Triangle as a real friend.

They know it is a sure guide to oil that they can trust—Conoco Motor Oil! This motor oil has saved motor trouble in so many emergencies where the average oil simply would not stand the gaff. Motorists who know, always feel safer with Conoco Motor Oil. Seek the sign of the Conoco Red Triangle—and be sure.

Conoco Gasoline and Conoco Motor Oil are made by the Greater Continental Oil Company (the Marland Oil Company combined with the Continental Oil Company) and sold at stations formerly handling Marland products and Continental products. Look for the new Conocesign.

Band concerts, and two free acts daily, six riding devices, numerous new side shows, and miniature steam train are among the features provided by Mr. Savidge for this season, his twenty-third year on the road.

The Walter Savidge players, who appear each evening in the latest dramatic productions, are the principal entertainment feature. Mr. Savidge has secured talent from New York, Los Angeles, Canada, San Antonio, Chicago, and Kansas City to assure the best. With the largest and most complete portable stage ever carried by a traveling company and new scenery and new water-proof

"Gossip," by Robert Jay Sherman, is a comedy drama of truth and fun which Mr. Savidge has scheduled for Monday night. The players will present Tuesday night "Sin of the Father" by Charles Summer. This is a play with heart interest to everyone.

"The Small Town," by Robert Jay Sherman, to be shown Wednesday night, is a comedy with interest that holds till the close. This is a thrilling drama which holds suspense until the end. A special feature is planned for the Saturday matinee. "How Gorry Won," by J. Harvey Haas, is the play for the closing night. This is a political comedy drama of special interest.

The miniature steam railroad train with four coaches, is operated by a midget.

EDUCATIONAL NOTES

Nona Bressler, Dist. No. 7, O'Neill and Lillian Nightengale, Dist. No. 4, Dorsey, represented Holt County in the State Fair Spelling Contest held at the fair grounds at Lincoln on Saturday.

There were 49 entries in both the oral and written contests. Thirty-one went down in the oral contest before Lillian, which is a very good record. In the written contest, both Lillian and Nona took twelfth place. Both girls were given certificates for excellence in spelling.

Although they did not take a place in the contest, Holt county may well be proud of the showing they have made. These contests have been held in the state for 12 years. This is the third year that Holt county has entered these contests and each year our contestants have stayed in well toward the last.

This trip is given free as a reward for being winners in the Holt county spelling contest. The trip is very educational and was enjoyed very much by our two contestants. They were taken over the city and shown places of interest such as the new state capitol, state University, state farm, parks, etc. This makes it very worth while working for.

Following are some of the words

that are misspelled in the oral contest: physician, necessity, barrels, dissimilar, schedule, caret, demonstrated, formerly, lyceum, ankle, hemorrhage, rabbit, forfeit, perpetrate, amateur, menagerie, persuasive, supersede, transient, vacillate, legitimate, defensible, sovereign, deficiency, anthracite, diagnose, ruminant, laudable, sergeant, and alimentary.

Harriet Martin of Millard, Douglas county, won the oral contest by correctly spelling the word "despise."

Following is a list of the winners: Oral Contest

Harriet Martin, Millard, Douglas county, First Place; Pearl Erickson, Hordville, Hamilton county, Second Place; Dorothy Lahners, Carlton, Thayer county, Third Place.

Written Contest

Miriam Mahaffy, Tecumseh, Johnson county, First Place; Vance Leininger, Fullerton, Nance county, Second Place; Laura Weatherman, Tecumseh, Johnson county, Third Place.

With the exception of a very few, the schools of the county have opened for another term. The Page school will open on September 16th. They

BURLINGTON MAN MAKES REMARKABLE STATEMENT

"Sargon has done me more good than any medicine I ever took in my life.

"For ten years I suffered with stomach trouble that poisoned my whole system and brought on all kinds of complications. I had very little appetite and what I did eat caused me a lot of pain. Lumbago and rheumatism in my legs bothered me a lot and I suffered from headaches that must have been brought on by constipation.

Nervousness kept me from sleeping, too, and I was always tired and listless.

"Almost as soon as I started taking Sargon and Sargon Soft Mass Pills, my whole condition began to improve. This wonderful treatment built back my strength and put my stomach in fine condition. My appe-

tite picked up and indigestion disappeared. The pains from lumbago and rheumatism stopped entirely. The pills regulated me perfectly without any bad effects at all.

"I'm glad to recommend Sargon to all my friends; it's a medicine that does all that is claimed for it—and more."—Frank Blakeway, 1909 S. 12th St., Burlington, Ia.
