SAVE MONEY

Ownership of a Pontiac Big Six is an experience in economy. True, most people choose Pontiac, not because it is so inexpensive, but because of the many big car advantages which it provides. But it is a fact that with a Pontiac you actually save money. You save—

When you buy . . . When you drive . . . When you trade it in

You save when you buy a Pontiac because it is the lowest-priced car ever produced which offers so many advantages. You save when you drive because, according to a large corporation which employed 996 cars of 33 different makes during 1928, Pontiac costs one cent less per mile to operate than any other low-priced six. You save when you trade it in because the demand for used Pontiacs has always exceeded the available supply. Come in to see and drive the car which offers all these advantages.

Pontiac Big Six, \$745 to \$895, f. o. b. Pontiac, Mich., plus delivery charges. Bumpers, spring covers and Lowley shock absorbers regular equipment at slight extra cost. General Motors Time Payment Plan available at minimum rate.

Consider the delivered price as well as the list (f. o. b.) price when comparing automobile values. . . Oakland/Pontiac delivered prices include only authorized charges for freight and delivery and the charge for any additional accessories or financing desired.

Stops KNOCKING..

gives your motor a new POWER RANGE!

Red Crown Ethyl Gasoline stops gas knocks completely. Puts more driving power into every stroke—gives your motor greater liveliness and quicker response in traffic. Smoother, quieter operation—less gear shifting—a new range of power for hill climbing on high gear. Try a tank full in your truck, tractor and passenger car. Costs more by the gallon but not by the mile.

At the top—as usual!

For more than a generation clean-burning Red Crown Gasoline has been Nebraska's favorite motor fuel. In 1928 it sold three gallons to one over its nearest rival. Uniform, powerful, dependable.

STANDARD OIL COMPANY OF NEBRASKA
"A Nebraska Institution"

Sold by Red Crown Service Stations and Dealers everywhere in Nebraska

RED CROWN Gasoline

Keeps repair costs down—With the right grade of Polarine in your crankcase you keep motor wear and repair costs at rock bottom figures. Consult the Chart for the correct grade of

:140 POUNDS OF JUICY WATERMELON:

The Federal Farm Board today received from the Arkansas delegation in Congress a 140-pound watermelon, presented by the Hope, Arkansas, Chamber of Commerce, the home town of Congressman T. B. Parks. Chairman Legge of the Farm Board and Senator Joseph T. Robinson of Arkansas are shown in the photo made at Washington, D. C. (Herbert Photos, New York, N. Y.)

[CARRIES]EAR OF CORN [FOR] A CHARM!

M. H. Morse of Wyoming, Iowa, a veteran of the Union forces, believes that this ear of corn is a wonderful talisman. At the G. A. R. convention held at Portland, Maine, the ear of corn was the center of attraction. At two national conventions of the G. A. R., this same ear of corn was carried by him. He is showing it to William B. Webber of Massachusetts. The corn averaged 89 bushels to an acre and ran 14 feet high. No wonder the old-timer is proud of his unusual mascot. (Herbert Photos, New York, N. Y.)
