ONLY WEIGHED 94 LBS.; GAINS 17 TAKING SARGON

"When I started taking Sargon, I only weighed 94 pounds but now I weigh 111—an actual gain of 17 pounds in a few weeks time.

MRS. CHARLES JOHNSON

"I suffered from stomach and liver trouble for over 10 years. I'd have heart burn and gas pains after nearly every meal and was subject to frequent bilious attacks and headaches. Constipation was chronic with me and I became badly run down. I was told that I needed an operation but a friend of mine suggested that I first give Sargon a trial. "I am simply delighted with the results. I don't know when I've had such a good appetite and I never suffer from gas pains or indigestion any more. Sargon got my liver straightened out too and I haven't had a headache or bilious attack since my second bottle. Sargon Pills completely overcame my constipation and I feel better in every way than in years.

"My husband has started on Sargon now, also my little girl and I've written to my mother about it. We are all enthusiastic over this splendid medicine."—Mrs. Charles Johnson, 545 Willow Ave., Council Bluffs, Chas. E. Stout, Agent.

NOTICE

On and after November 1st, 1929, our store at Opportunity will be operated on a strictly cash basis. All outstanding accounts will be due on that date, and must be paid during the month of November. The successful business of today, whether it be large or small, is operated on a cash basis, and the merchant having his money, either in goods bought for cash, or in cash so he can buy goods and pay for them when the best opportunity to buy presents itself, can effect a very great saving for the consumer. By following this plan, and with our low overhead expense, we will make this store an outstanding money-saving place to trade. Watch for our price circular for the month of November; you will see lower prices on a great many articles. Highest price paid for Produce of all kinds.

T. T. Waid moved to O'Neill from the farm east of O'Neill, having recently sold the farm to Col. James Moore, the versatile auctioneer, who will operate the place in connection with his other holdings. Mr. Waid, besides being a retired farmer and stock raiser, has established himself as an expert fisherman among the younger generation that frequent the waters of the Elkhorn river east of O'Neill. During the summer and at other times the veteran fisherman would take his willow pole and hie to the banks of the stream and in a short time would return home with a nice catch of crappie and bass while the ordinary fisherman looked on with awe. Frontier readers recall that Mr. Waid received considerable publicity a couple of years ago when he landed a large muskie up in Wisconsin. "Wink" says that he may decide to give up fishing entirely and give the younger fellows a chance to catch a few good ones.

CHEVROLET SIX

—the Car of Universal Appeal!

SINCE January 1st, over a million one hundred and thirty-five thousand six-cylinder Chevrolets have been produced. Naturally, this is an outstanding industrial achievement. But it is more than that. It is a great public endorsement of Chevrolet's policy of progress: to build a quality automobile whose design incorporates every possible feature of progressive engineering... whose beauty is distinctive, smart and satisfying... whose reliability is assured by fine materials and precision manufacture... and whose price is so low as to be within reach of the great majority of the people. We want you to know what this policy has meant in the development of the Chevrolet Six—the modern car of universal appeal. We want you to know that Chevrolet has brought within the reach of everybody, everywhere, all the advantages of smooth, six-cylinder performance. Come in today!
