their infant daughter from the Lynch hospital Sunday. The little one's life was despaired of when she was taken to the hospital, but she now seems to be fully recovered.

THIS MOTHER OF 10 NOW EXPRESSES GRATITUDE

"Sargon brought me health, strength and happiness, and I'm glad to tell my experience.
"Ten years ago I began suffering from stomach trouble and a bad acid

MRS. JOHN A. GRAY condition. Nearly everything I ate gave me indigestion and heartburn. I was so nervous I rarely got a good night's rest. My liver was sluggish and I had a tired, achy feeling all the time.
"The day I got Sargon was the luckiest of my life. Now my stomach is in fine condition. I eat anything without the slightest bad after-effects. I have been wonderfully strengthened. The nervousness is entirely gone and I sleep long and restfully. I actually feel ten years younger and my friends all remark about how well I look. Sargon is the grandest medicine in the world."—Mrs. John A. Gray, 1149 Elm St., Dubuque. Mrs. Gray is the mother of ten children.
