came to O'Neill in an effort to settle the matter out of court. He stated that they did not approve of Layng's methods, that at all times they wanted their salesmen to be honest. He offered, in the name of the company, to do anything that was fair, to settle the matter with Holt county, and that the company would take up the question with Mr. Layng, personally. The complaining district agreed to withdraw the charge if the company would settle with each district that had given an order, in a manner satisfactory to the district and would pay all the costs of the case. Four hundred and thirty dollars (\$430.00) in cash was returned to the districts and orders for fourteen sets of books were cancelled. All costs were paid by the company. Mr. Layng was released after being in custody nearly two weeks.

We notice by the Nebraska State Journal that Miss Irene Keidel, formerly of the Atkinson public school, had the highest average out of fifty-nine Normal Trainers who took the state teacher's examinations in Lancaster county. She earned an average of 89% in the three subjects that she took.

The reports of the Teacher's examination have been received, rechecked and sent out from this office. The following pupils received 100% in the Mental Arithmetic examination: Lydia Zahradnick, Vernie McDowell, Mildred O'Connell, Dora Ford, Minerva Douglas, Ruth Young, Roberta Walrath, Ella Kazda, Rose Spindler, Viola Naber, Evadene Hitchcock and Savilla Alton, all of the Atkinson public school; Cecelia Bauer, of the Ewing public school; Robert Gallagher and Teresa Pongratz, of St. Mary's Academy; Helen Toy and Alice Page of the O'Neill public school; Grace Smith of the Stuart school and Regina C. Ruther of the Inman public school.

The following received grades of 100% in Arithmetic: Dorothy Ann Reel, Robert Gallagher, Lucille Miller, of St. Mary's Academy; Madeline Leach of the Stuart public school, Viola Naber of the Atkinson public school and Helen B. Thoenkel of the Ewing public school.

Madeline Ulom of St. Mary's Academy received a grade of 100% in the Civil Government examination. The grades as a whole were very high this time.

District No. 55 held a program and box social on December 6th. The proceeds, which amounted to \$17.00, are to be used for play ground equipment; the teacher is Miss Nellie Waring.

School district No. 172, Miss Winnie Davis, teacher, held a program and box social on November 22nd and received \$19.00 which is to be used to purchase a new teacher's desk.

There's a mother longing for this gift

She has gone along so patiently all these years, doing her work uncomplainingly, growing a little older, a little wearier every cleaning day.

Because her arms were once young and strong, everyone forgets that the burden of cleaning is many times heavier for her now than then.

Because she has never had anything but obsolete broom and dustpan with which to do her cleaning, no one thinks that she looks wistfully, almost enviously, at her younger neighbors, who save their strength with Hoovers.

If it is important to them, with all their youthful vitality, to have the aid of a Hoover, think how much more its wonderful helpfulness would mean to her! Can you let this Christmas go by without giving it to her?

You can get a Hoover for as little as \$59.50 cash—with the famous cleaning principle "Positive Agitation." And you can pay for it in small monthly amounts, paying only \$6.25 down. Liberal allowance for your old cleaner.
