A SYSTEM HARD TO BEAT

To win success and dodge defeat,
Here is a system hard to beat;
Don't wait for a chance to come your way.

But see those around you every day.
Just grab the one you're sure you want;

Make it your work, and let nothing daunt

The ardor that swells deep in your soul

To win your way and to reach your goal.

Don't lose your courage when in defeat;

Know in your heart that you can't be beat.

Feel that you have all the nerve it takes,

And don't give up when you make mistakes.

Remember the fellow that's really strong

Is the one who sees when he's going wrong;

That he is a coward who is afraid
To own and conquer mistakes he's made;

That the man who learns is the man that grows,
And the master of all the man who knows.

- Chevrolet announces

THE GREATEST CHEVROLET IN CHEVROLET HISTORY

Today, Chevrolet presents the Greatest Chevrolet in Chevrolet History—a smoother, faster, better Six—with beautiful new bodies by Fisher.

Basically, it is the same sturdy, substantial Six which won such tremendous popularity in 1929. But it is a greater car in every way—for there are scores of vital improvements which contribute to comfort, performance, endurance and safety!

An improved six-cylinder valve-in-head motor, with its capacity increased to 50 horsepower; four Delco-Lovejoy hydraulic shock absorbers; fully-enclosed internal-expanding weather-proof brakes; a new dash gasoline gauge; heavier and stronger rear axle; new Fisher non-glare windshield; larger tires—

—these are typical of the many improvements which make this car the Greatest Chevrolet in Chevrolet History.

But most impressive of all—this smoother, faster, better Six has been made available—

- at greatly reduced prices!

During 1929, more than a million three hundred thousand persons bought six-cylinder Chevrolets. This enormous volume has made possible many savings in the Chevrolet factories—and, in keeping with its long-established policy, Chevrolet is sharing these savings with the public. No written description can do justice to the extra value and quality provided in this new car. Visit your Chevrolet dealer—see this car—ride in it—and judge for yourself its sensational value.
