Everyone in Inman and community should plan to attend these meetings.

**OBITUARY**

Many friends gathered at the Methodist church last Wednesday afternoon to pay their last respects to their friend and neighbor, Mr. E. A. Clark, who passed away at the Evangelical Covenant hospital, in Omaha, Sunday morning.

Edgar Arthur Clark was born at Winona, Minnesota, on August 9th, 1868, and died at Omaha, Nebraska, on February 24th, 1930, being 61 years, 6 months and 15 days of age. Mr. Clark came with his parents at the age of 13 years to make his home at Inman and has lived here ever since with the exception of two years spent back at the old home at Win-

ona.

On July 24, 1890, he was united in marriage to Anna M. Green, also of Inman. To this union were born five children, Mrs. E. R. Rogers, of Madison, Nebraska; Mrs. Ralph Moor, of Council Bluffs, Iowa; Arthur, Eugene and Leslie, of Inman. Besides the sorrowing widow and five children, he leaves to mourn his departure a sister, Mrs. Ida Warrwick, of Alden, Minnesota and twelve grandchildren. His parents and two brothers have preceded him in death. In the passing of Mr. Clark the people of Inman and community are bereft of a kind friend and good neighbor.

The funeral was conducted by the Rev. A. Poe, of the Methodist church in Inman and the Rev. H. H. Beers of the Presbyterian church of O'Neill. The Masonic Lodge, of which he was a member, also took part in the service. Mr. Clark was also a member of the Modern Woodmen Lodge.

**EDUCATIONAL NOTES**

The fourth annual Holt County Spelling Contest will be held in O'Neill on Saturday evening, March 28th at eight o'clock. Preliminary local contests will be held at the various schools on Monday afternoon, March 10th, at 1:30 p. m. I would suggest that teachers entering pupils in the contest dismiss their schools and accompany their children to the contest, if this meets with the approval of their boards. One error occurred in the letter sent to teachers, Scottville No. 34 should have read Scottville No. 38.

We have been notified by the F. A. Owen Publishing Co., publisher of several teacher's papers that some unscrupulous person is canvassing the country taking orders for their papers and keeping what money he can secure. Do not be taken in by any stranger.

The County Superintendent and Miss Ruff, Red Cross Nurse from O'Neill, were invited to visit District No. 86, Friday, February 21. Miss Delia Allyn is the teacher. Miss Ruff gave a very interesting talk on school hygiene and weighed, measured and examined all the children. The patrons were very much interested in her work. She has been invited to attend a joint meeting of several districts in that vicinity soon and to give advice for the health of the children.

Miss Ruff and the County Superintendent attended a meeting of the P. T. A. at district 110, Page, last Friday, February 28th. A very pleasing program was given by members. Miss Ruff then talked to the patrons upon the health of the child. She then weighed and measured the children.

Miss Ruff is an interesting speaker and gives splendid advice for the preservation of the child's health while in school. A county nurse in Holt County would be valuable to our community.

The new school building in Dist. 142 near the Niobrara river was dedicated last Saturday night. A large crowd was in attendance. A short but very pleasing program was given by the pupils led by Miss Phyllis Johnson, the teacher. Miss Anna McCarthy, County Superintendent of Boyd county, congratulated the patrons upon their achievement of such a fine building. Miss Ruff, Red Cross nurse, of O'Neill gave an interesting talk upon the importance of the good health of the school child. State Superintendent Charles W. Taylor and Mrs. Taylor attended the dedication. Mr. Taylor gave a very interesting address. He believes that the rural school is one of the greatest factors in the development of our nation. The dedication service was read by Mrs. Parker. At the close of the program a delightful lunch was served by the ladies of the district. This new building is modern in construction and replaces a building which had grown much too small for the fourteen pupils now attending there. This is the tenth new building to be erected in Holt county within 18 months, all of which replaced buildings at least forty-five years old.
