W. C. TEMPLETON,
Editor and Business Manager

Entered at the Postoffice at O'Neill,
Nebraska as Second Class Matter.

C. D. WOOD, MERCHANDISE
MANAGER TO LEAVE O'NEILL

C. D. Wood, merchandise manager
for the Interstate Power Company,
has been given additional territory
which necessitates his moving to
Sioux City, Iowa.

The merchandising department has
redistricted their territory and as a
result several managers have been
reduced while others have been given
larger districts.

INMAN ITEMS

Born to Mr. and Mrs. Emmet
Stamp, on Thursday, a baby girl.

All is in readiness for the Evangelistic
campaign which will
commence Sunday, March 23, at the
Methodist church. The Rev. Charles
Window, of Waverly, Iowa, who will
arrive the later part of this week to
conduct the meetings, has announced
that his subject for next Sunday
March 23, will be, morning, "The
Pentecostal Church, the Best Soul
Winning Church in the World;"
evening, "The Ten Commandments
Right Down to Date in Inman,
Nebraska." Everyone is not only
invited but urged to attend these meetings.

A very interesting service was held
at the Methodist church last Sunday
evening. Stereopticon pictures of
Missionary work in different countries
were shown. Mrs. A. L. Anderson
sang a hymn in the Swedish language.
Although Mrs. Anderson is
past 72 years of age, she still possesses
a very sweet contralto voice,
and the song was greatly enjoyed.
Mrs. L. Kopecky then sang a Bohemian
hymn, which was also enjoyed.
Rev. R. Poe sang in the Japanese
language and showed pictures of his
own missionary work in Japan. The
service was greatly enjoyed by all
present.

GOLDEN WEDDING

Mrs. Harry McGraw, who is visiting
her parents, Mr. and Mrs. F. J.
Manchester, at Gilroy, California,
and who attended their fiftieth wedding
anniversary on March 7th,
1930, sends us a very interesting
account of the celebration.

Mr. and Mrs. Manchester, who for
many years resided in northern Holt
county and for some years were residents
of O'Neill, Nebraska, celebrated
their Golden Wedding anniversary
on Friday, March 7th, at their
home in Gilroy, California.

To reach the ages of 75 and 69
years is living beyond the average of
man, but to enjoy a wedded life of
fifty years is something of which
few can boast. Yet such is the case
of Mr. and Mrs. Manchester.

On the 16th day of January, 1930,
Mr. Manchester reached his 75th
year, Mrs. Manchester reaching her
69th year on January 29th, 1930.

Fifty years ago, on March 7th,
1880, Miss Lydia Ballentyne became
the bride of Frank J. Manchester, at
Dunlap, Iowa.

They are the parents of four children,
Mrs. Fred Hirscher, of Gilroy;
Mrs. Harry McGraw, of Inman,
Nebraska; Clarence F., of Gilroy,
and Floyd E., of Mayfield, California,
all of whom were with them to help
them celebrate their fiftieth wedding
anniversary. They also have seven
grand-children and one great grand-
child.

At noon a delicious luncheon was
served to the immediate relatives.
Throughout the afternoon and even-

ing, guests arrived until more than
85 had called. Ice cream and cake
were served to all of the guests.

Mr. and Mrs. Manchester received
many beautiful gifts. Among other
things was a beautiful cabinet radio
presented to them by their children.
Other gifts received were framed
pictures, baskets of beautiful flowers,
vases, silverware, a gold cream
ladle and pickle fork, several pieces
of gold money and \$10 bills; gold
bordered table linen; gold colored
Rayon bedspread; gold colored salt
and pepper shakers; potted plants;
goldfish; boxes of stationery; boxes
of candy, and many cards and letters
of congratulations. Perhaps the most
original idea was the presentation
of a lovely gift together with an
original poem, composed by Charles
Manchester, brother of Mr. Manchester,
entitled "Fifty Years." The
poem reads as follows:

It is a feat to walk and trot
For fifty years together
On sunny days and rainy days
And every sort of weather.

It takes some skill to guide ten feet
To walk and run discretely,
You well have earned this Golden
Year
You've rounded out completely.

These fifty years since harnessing,
You've pulled with even traces,
Your work and care has had its share
In perfecting your Graces.

We wish you old and manifold
Sweet peace and much forgiving,
We wish you joy and evening light,
The Hope and Love of living.

This was a day that will be long
remembered by the Manchester family.
Their last family reunion was
11 years ago.

BASKETBALL BANQUET

The basketball season was appropriately
completed last Friday evening,
March 14th, by a basketball banquet.

The banquet was held at the Ladies
Aid parlor and was served by the
Ladies Aid of the Methodist church.
The parlor was beautifully

and artistically decorated in the high
school colors. The tables formed a
huge letter I. Maroon candles in
glass holders lighted the room.
Places were laid for 41, and at each
place was a colorful crepe paper hat
which was donned and worn throughout
the evening. Favors were miniature
basketballs, which also served
as nut cups.

A fine program was carried out,
with Principal Wm. Main as Toast-
master. The program was as follows:
Selections by the high school quartette;
a reading by Miss Elsie Mulford.
The toasts, each commencing
with the letter I, were:

I would be true for there are those
who love me.—Dorothy Chicken.

I would be pure for there are those
who care.—Merle Leidy.

I would be strong, for there is
much to suffer.—Walter Fick.

I would be brave for there is much
to dare.—Bud Smith.

I would be friend of all, the foe,
the friendless; I would be giving and
forget the gift.—Herman Reimers.

I would be humble, for I know my

weakness; I would look up, and
laugh and love and lift.—Miss McClurg.

This was followed by presentation
of letters and honors earned by members
of the team. Those to receive
letters were Bud Smith, Leonard
Leidy, Erle Renner, Jerry Kopecky,
Robert Jackson, Kenneth Leidy,
Vere Butler and Dale Stevens. Marvel
Hartigan and Miss Elida Kennedy
received Tiger heads.

The play, "Cat O' Nine Tails,"
will be given by the Inman Senior
Class, Friday, March 28, 1930. The
following is the recipe for this thrilling
three-act mystery: Take one cold
blooded murder, add to it a human
skeleton, blood-curdling shrieks,
unearthly noises, a female Sherlock
Holmes, a half-witted servant, a
jealous woman, an underground tunnel,
a vicious dog, a nervous wreck,
a beautiful girl, an international
crook; flavor with comedy and sweeten
with a secret love affair. Pour into
a lonely lodge, shake well and
serve with thunder and lightning

and you'll enjoy the taste of this
newest beverage, the mystery frappe.

COMPARE VALUES BEFORE YOU BUY AN AUTOMOBILE

*Low charges for distribution of the new Ford
save you at least \$50 to \$75 in addition to
the many savings in making the car*

THESE are days when every dollar counts. The
period of reckless spending is over. People are
going back to the good old-fashioned principles of
thrift and economy. Value is again being carefully
considered.

Nowhere is this more important than in the selection
of an automobile. For the purchase of a car
represents a considerable investment. It should not
be decided on hurriedly, but only after analyzing
every important factor that concerns cost, value and
performance. The time to do this is before buying—
not afterward when it is too late.

ON THE basis of cost, performance and the actual
comparative worth of every part, the new Ford is a
value far above the price you pay. It is made of better
materials and with greater care and accuracy because
of the recognized efficiency and economy of Ford
manufacturing methods.

The value of these methods is known and understood
by millions of people. It is not generally realized,
however, that these same principles of efficiency and
economy are applied also to every step in the distribution
of the Ford car. The low cost of selling, financing
time payments, etc., means a direct saving to you
of at least \$50 to \$75 in addition to the money saved
by Ford economics in making the car. There are definite
reasons why this is so.

(1) The Ford dealer does business on a smaller
margin of profit because of the greater number of

cars he sells. His discount or commission is the lowest
of any automobile dealer. The difference in your favor,
ranging from 25% to nearly 50%, comes right off the
price you pay for the car.

(2) No expensive extra equipment is needed when
you buy a Ford. The car leaves the factory ready for
use. The f.o.b. price includes a Triplex shatter-proof
glass windshield and an extra steel-spoke wheel, in
addition to four Houdaille double-acting shock absorbers
and fully enclosed four-wheel brakes. Any accessories
you may wish for your individual taste are sold
considerably below the usual prices.

None of these charges for selling, financing or accessories
is marked up or increased to cover a high trade-in
allowance on a used car.

Get all the facts, therefore, before you buy and
figure out just what you are getting for your automobile
dollars. Go beyond the f.o.b. price and find out
how much more you pay the dealer than the dealer
pays at the factory. Analyze the used-car allowance.
Compare all charges—item for item—value for value.

WHEN you do this you will have a new appreciation
of what the Ford Motor Company and Ford dealers
are doing to keep down the cost of Ford cars. You
will also know why it is possible to put so much real
value into the new Ford and still retain the low price.
The money you pay goes for value in the car. It is not
wasted in excessive costs in manufacturing or selling.
