the **NEW**
Polarine
THE MODERN MOTOR OIL

"outclasses any oil I ever used"

High praise from one of Nebraska's veteran motorists! But not surprising!

The new process used in refining the new Polarine removes all the wax and tar. It cuts the carbon residue in half. It vastly increases lubricating efficiency. It gives an oil that lasts longer in good condition than any old process oil. Neither heat nor cold can prevent the new Polarine from giving safe and satisfactory lubrication.

Here is a true premium quality oil by every test and standard—"The Modern Oil."

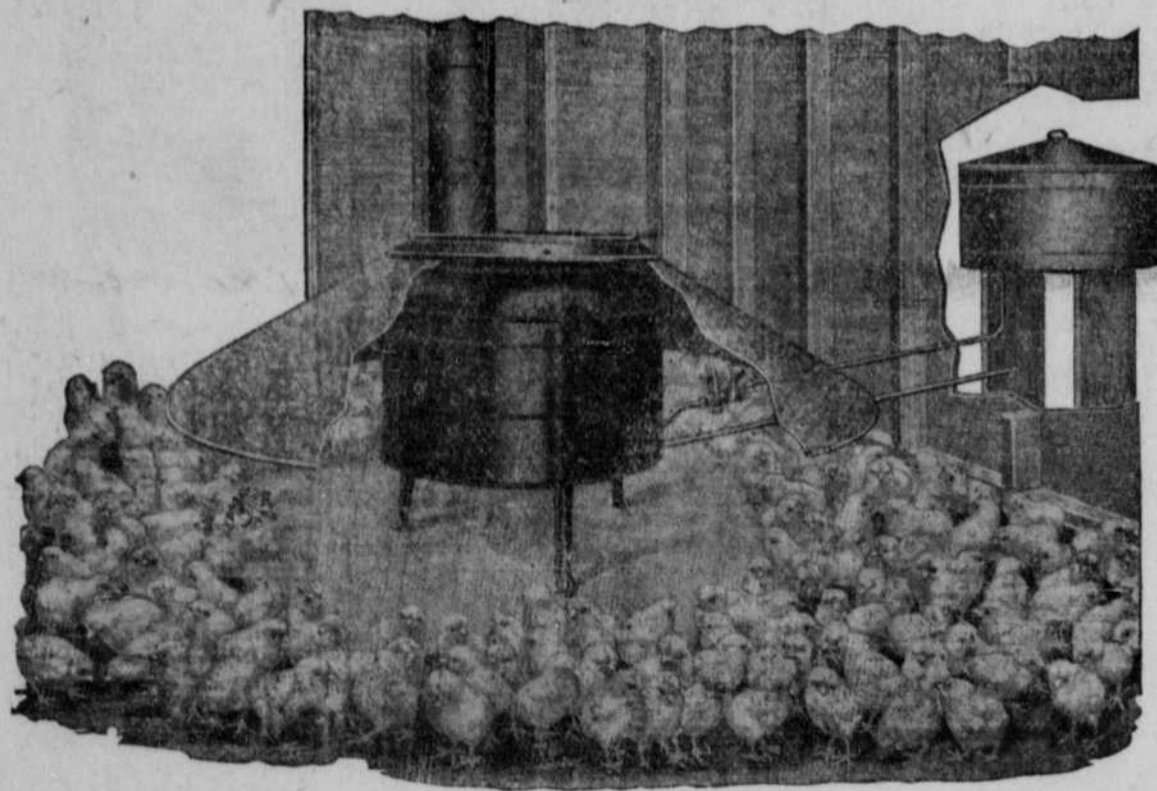

No advance in price—at Red Crown Service Stations and Dealers everywhere in Nebraska.

Considerable excitement prevailed last Sunday morning when a fire broke out in the Ladies Aid parlor. The alarm was turned in at once and the fire fighters succeeded in extinguishing the flames before any great damage was done. There was no insurance on the building.

Mrs. Florence Smith received severe injury to her nose and other portions of her face when she fell, at the rear of the central office, last Wednesday afternoon. Although her nose was not broken, it was severely bruised. Mrs. Smith, fortunately, was not wearing her glasses, or she would undoubtedly have been badly cut up.

Miss Wilma Chicken entertained seventeen of her little friends at a party last Thursday evening, the occasion being her tenth birthday. Games were played and a good time was enjoyed. A dainty lunch was served, the main feature of which was a large birthday cake illuminated by ten candles. Wilma received numerous gifts.

The Parent-Teacher's Association met Friday night at the I. O. O. F. hall, with president R. Poe presiding. The program for the evening was, three selections by the high school quartettes. This was followed by a very interesting talk by County Superintendent, Mrs. Luella Parker, of O'Neill, at the conclusion of which she introduced the Red Cross nurse, Miss Ruff, who gave a splendid health talk which was greatly appreciated.

The Coffee Club met at the home of Mrs. C. D. Keyes, on Thursday of this week. A large crowd was present. The ladies brought their materials and an hour was pleasantly spent with art work, after which the business meeting was held. The entertainment committee then entertained with games and stunts, all of which centered about St. Patrick's Day. A delicious lunch was served at the conclusion of the afternoon. Mrs. F. E. Keyes and Mrs. L. Kopecky assisted Mrs. Keyes.

AMERICA'S CHILD

The patriotic pageant, "America's Child," was presented Wednesday evening by the pupils of the grades of the O'Neill Public School under the direction of the teachers of the grades, in the auditorium of the public school building. The auditorium was well filled with the parents and close friends of the children who participated in the pageant. Everyone present was well pleased with the rendition of the piece.
