

PIKE'S PEAK TEST JOLTS AMERICA'S MOTOR OIL OPINIONS

Here's How Some men prefer one kind of motor oil, some another. The jolt comes when the Pike's Peak Tests prove that most of these opinions may be comfortable, convenient, but *not* correct. . . . The generality that certain brands are better merely because they come from certain States has been quietly exploded. . . . Thousands buy by a respected color or trade mark, and not a few just don't care, and still buy on price. . . . The time is ripe for *real facts*. By the Pike's Peak Tests, conducted under the supervision of AAA observers, we are prepared to present dependable facts on CONOCO Germ-Processed Oils.

The outstanding results of these Pike's Peak Tests reveal many points of unusual significance. Under the conditions of the tests, which were comparable to severe service, these points were:

Motor Wear . . . Germ-Processed oil reduced it 76.4% throughout these tests, under that of the other oils used as a group. **Cost of Lubrication** . . . Germ-Processed oil showed an appreciable saving of 6.1%. **Oil Economy** . . . wins by 3.9%. **Gasoline Economy** . . . a gain of 7.2%. **Loss of Viscosity** . . . Germ-Processed oil was in 34% better condition after the tests than were the others! **Carbon** . . . shows an appreciable decrease after Germ-Processed oil was used. **Water Temperature** . . . was lower with CONOCO Germ-Processed Motor Oil.

Remember, CONOCO uses Mid-Continent paraffin base crude, then the "germ-essence" is added, which gives this oil that remarkable ability to *penetrate metal surfaces*. "Penetrative Lubricity."

The Germ-Process is Conoco-owned. And Germ-Process positively will reduce your car-operation expense, and lengthen motor life, by providing Penetrative Lubricity.

We invite you to select any operating conditions, no matter how severe, and we guarantee that CONOCO Germ-Processed Motor Oil will meet them better than the oil you have been using!

THE NEW FREE BOOKLET, "Pike's Peak Tests Confirm CONOCO'S Challenge," is ready. It will give you the detailed story of these tests, with photographs. Address Continental Oil Company, Ponca City, Oklahoma, or inquire at the nearest service station displaying the Red Triangle.
