THE O'NEILL LIONS HOLD NOON LUNCHEON

The O'Neill Lions Club held another of their enjoyable noon luncheons at the Golden Hotel last Tuesday at 12:10. A number of the Lions were out of the city, which made the attendance a little light. The Secretary made a report on the Charter Night banquet and the All Nebraska Air Tour which the Lions had invited to visit O'Neill on their tour, which will begin June 23 and continue throughout the week, at which time they will visit many of the towns in the state. It was necessary for the Lions to cancel the stop which was scheduled for O'Neill on the night of June 23, because of the golf tournament. The air tour consists of forty aeroplanes and a party of one hundred people which would overtax the housing facilities of O'Neill during the tournament. The tour is now scheduled for a stop Monday night at Norfolk, a visit Tuesday morning at Niobrara, and luncheon at Long Pine.

Lion President Carter appointed the following program committee for July: Dr. C. H. Lubker, Robert Haley and Thomas Brennan.

A meeting of the Board of Directors will be held in the Frontier office Monday evening at eight o'clock; all directors are urged to be present.

OPPEN—GRANDORF

On June 1st, Mildred Morine Grandorf and James Charles Oppen were united in marriage at the St. John's Lutheran Church in Atkinson by Rev. Vable.

The bride was becomingly attired in a gown of "Jeanne de Ave," with matching accessories; she carried a bouquet of pink tea roses, and was attended by Miss Leta Johnson, of Lincoln, who was attractively gowned in a canary georgette, carrying a lovely bouquet of pink tea roses.

The groom and his attendant, Mr. Ralph L. Oppen, wore the conventional blue serge.

Immediately after the ceremony the wedding party motored to the home of the bride's parents where all enjoyed a sumptuous wedding dinner served by Mrs. Tim Harrington and Mrs. Dan Crandall. Amid the well-wishes of all, they departed for a short wedding trip. Following their honeymoon they will make their home in O'Neill.

Sunday evening a crowd of about fifty friends of the bride and groom gathered at the home of the bride's parents and spent the evening with the newly weds. Luncheon was served. The bride received many beautiful and useful gifts.

ANOTHER FATAL ACCIDENT ON HIGHWAY NO. EIGHT, 12 MILES NORTH OF O'NEILL

The curve on the west end of the jog in Highway No. 8, twelve miles north of O'Neill was the scene of another fatal accident about 5:30 o'clock Wednesday evening when a Chevrolet sedan occupied by Mr. and Mrs. Richard T. Morrison of Hickman, Nebraska, and Mr. and Mrs. Porter Beck, of Panama, Nebraska, failed to make the turn properly, left the road and crashed against the embankment on the north side of the roadway. Mrs. Morrison was instantly killed; her head was badly cut and it was thought that her skull was fractured; Mr. Morrison suffered a cut on an arm and a bruise on his head; Mrs. Beck received a severe scalp wound which required five stitches to close; the entire party were considerably bruised and badly shaken up.

All of the occupants of the car were elderly folks. Mrs. Morrison, the lady who met her death in the accident, was seventy-two years old and her husband is sixty-nine; Mr. Beck, a brother of the deceased, is seventy-four years old, while Mrs. Beck is well up in years.

Passers-by brought the injured ones to O'Neill where they received medical attention. Mrs. Morrison was taken to the Biglin mortuary where the body remained until Thursday morning when it was taken to Hickman, Nebraska, where funeral services will be held.

The party left Hickman, Nebraska, about four o'clock Wednesday morning for Newport, Nebraska, where they expected to visit James Beck a brother of the deceased lady and Porter Beck. Someone along the route had told them to follow No. 8 highway; they failed to notice the turn they should have made north of O'Neill that would have taken them to Newport; they had not discovered their mistake when the accident occurred. The brother, James Beck, was notified of the accident and came to O'Neill Thursday morning, accompanied by his son Lester Beck and wife. A son-in-law, Ben Wallingford, of Hickman, and a son-in-law, Dr. Jesse Jardine of Lincoln, arrived here this morning.

This curve in the road seems to be a hard one to make especially at a high speed; the turn is well banked but is rather short. On October 20, 1928, William Osborn, of Ewing, Nebraska, met his death and his wife passed away in the Dr. Gilligan hospital four days later as the result of a similar accident to the one that took place Wednesday evening and on almost the exact location.

The two fatal accidents at this point should be a warning to everyone who drives a car that corners should be met at a moderate speed.

While the fatality came to parties who were entire strangers in O'Neill yet the people generally feel deeply grieved and all will join us in extending our sympathy to the bereaved relatives.

FREEBERG—KACZOR

Bennie Freeberg of Yutan, Nebraska and Miss Nellie Kaczor, of near Meek, Nebraska, were united in marriage by County Judge C. J. Malone, at his office in the court house, Wednesday afternoon, in the presence of a few close friends and relatives. They were attended by the bride's sister and husband, Mr. and Mrs. Virgil Hubby.

The bride is the daughter of Mr. and Mrs. Albert Kaczor, of near Meek, Nebraska; she is a young lady who enjoys a wide circle of friends.

Mr. Freeberg is a highway patrolman at Mead, Nebraska, and is well spoken of by those who know him.

The newly weds left soon after the ceremony for their new home at Mead, Nebraska, amid the shower of rice and good wishes of their many friends.

IDA M. BARTUNEK REFUSES TO TURN OVER JEWELS

(Lincoln State Journal)

In compliance with an order issued by District Judge Frost in the case of the Standard Oil Company against Ida M. Bartunek, deputy sheriff Hughart Thursday morning went to the home of the woman and served an order that she turn over her diamond ring and two diamond ear rings to apply on a judgment which was returned against her. The officer returned and stated that the woman refused to turn over the jewelry.

In the case the oil company gained a judgment against the woman in the sum of \$564.10 for oil and gas used by her while she was operating a bus line. The court issued an execution and it was returned unsatisfactory, the woman claiming that she had no property. She was ordered into court and when she appeared she said she had the ring and the ear rings. Judge Frost then issued an order that jewelry was not exempt from execution and that she must turn over the ring and ear rings to the sheriff to be sold, the money to apply on the judgment.

"You can put me in jail if you want to, but I won't give up this jewelry," a woman informed Deputy Sheriff Hughart Thursday when he attempted to fulfill a court order calling for the sale of the jewelry to satisfy a judgment.

Judge Frost signed the order

Thursday morning commanding sale of a diamond ring and two diamond earrings owned by the woman. The Standard Oil Co. holds an unsatisfied judgment against her. A hearing was held before Judge Frost relative to property of the defendant.

The court order probably will be returned as unsatisfied in which case it will be up to the judge to decide whether the woman is in contempt.

NUTTLEMAN & TOMLINSON PURCHASE O'NEILL-NELIGH TO NORFOLK BUS LINE

Glen Tomlinson and Mahlon Nuttleman of this city have purchased the Rapid Transit Bus Line operating between O'Neill, Neligh and Norfolk and took possession last Monday.

Mr. Nuttleman has been operating the Rapid Transit line between O'Neill and Neligh for the past two years. The new firm have arranged the schedule so that there will be two trips to Norfolk and return each day; one bus will leave Norfolk at 7:30 A. M. and another in the evening at 5:30; one bus will leave O'Neill at 7:15 A. M. and at 1:15 P. M. They will connect with the bus lines to Sioux City, Yankton, Fremont, Omaha and Lincoln.

LOCAL NEWS.

Wayne Harding is spending his vacation at the home of Lou Mielke's east of Chambers.

A daughter was born to Mr. and Mrs. George Wyant, at their home in this city, last Monday.

Lips One Inch from Mouthpiece Enables Others to Hear You Best

Talking directly into the mouthpiece of the telephone with your lips about one inch away will enable the person at the other end of the line to hear your voice clearly.

Every additional inch that the lips are away from the mouthpiece makes it more difficult for you to be heard and understood.
