

A "CITY CONVENIENCE" FOR COUNTRY HOMES

Continuous Ice-cold Refrigeration from an oil flame

**SUPERFEX**, the amazing new oil-burning refrigerator, now makes it possible for country homes to enjoy the economy and convenience of modern iceless refrigeration. Right in the kitchen, Superfex keeps food fresh, clean and pure for days—at a safe cold temperature. It freezes ice cubes for cooling beverages; makes frozen desserts; saves thousands of steps at mealtime—at the cost of a few cents worth of kerosene daily. Cheaper and better than ice!

Safe and simple—just light it and leave it. In about an hour and a half the burners generate 24 to 36 hours' dependable refrigeration—then go out automatically. That's all. No moving parts; nothing to get out of order. Sturdily made, porcelain lined, ample shelf-room. Makeshift refrigerators are neither sufficient nor safe. Protect your family with constant, healthful Superfex refrigeration the year around. Telephone today for further information or come in and see it work.

Holt county Board met pursuant to adjournment; all members present. Board called to order by the chairman.  
On motion the bond of Herb Jensen as road overseer, district No. 48, Shields Township, was approved.  
To the Honorable Board of Supervisors, Holt County, Nebraska:  
Gentlemen:

Whereas in the assessment of Lots 1-16-17, Block 3 in the city of Atkinson, owned by James Barrett, the assessor returned a reduction of \$500 in the valuation of said piece of property for 1929, which reduction was overlooked in making up the tax list and said property was valued at \$800 when it should have been valued at only \$300.00. The taxes have been paid on this property and we find that Mr. Barrett overpaid \$20 by reason of this error and should be refunded said amount.  
Respectfully,  
E. F. Porter, County Clerk

On motion the prayer of the petition was granted and clerk was instructed to write refund warrant in accordance therewith.
