Entered at the Postoffice at O'Neill, Nebraska as Second Class Matter.

NOTICE

I take this method of announcing myself as a candidate on the Republican ticket for nomination to the office of County Clerk, at the Primary election, August 12, 1930. The duties of the office do not permit time to make a canvass.

E. F. PORTER.

ANNOUNCEMENT

It is just as important to vote at the Primary Election as at any other time. At the primaries you nominate the candidate whose name will be placed on the ballot for election. It is the duty of every good citizen to go to the polls and vote. Regardless of your political party and regardless of the candidate you vote for, go to the polls and vote Tuesday, August 12th.

A vote for Harry F. Miller, Democratic candidate for County Treasurer, will be appreciated.

HARRY F. MILLER

ANNOUNCEMENT

To the people of Holt County: I desire to announce to the people of my native county of Holt that I am a candidate for the nomination for Lieutenant Governor on the Republican ticket in the primaries on August 12th. I will appreciate very much the support of the people of my native county. I represented you in one session of the Legislature and I am willing to appeal to my record as to whether I stood for clean, honest, economic government and for justice to the wage earners and farmers of the state. I am supporting Senator Norris for United States Senator and I am the only candidate seeking the nomination for Lieutenant Governor who is supporting Senator Norris. I have always supported and am now supporting the principles for which he stands.

Slow Tested Oils are Out of Date... NOW
that this **80 mile-an-hour**
is meeting **OIL**
with such **POPULAR FAVOR**

IF YOU FLY, which would you choose? "Risk my life in that pre-war plane? Not me!" But how about the oil in your car?

We don't believe you want to drive 80 miles an hour. We do believe you want the protection you will get from an oil which is road-tested at 80 miles an hour and more. We believe you want the extra safety it gives when you drive at your usual 30, 50 or 70. We are sure of this: You cannot get this protection from slow tested oils, made for driving at 50 or 60 miles per hour.

Knowing the needs of your car and

every other car, Skelly Oil Company made the Improved Tagolene from the finest mid-continent stocks (paraffin base, of course) to more than stand the strain today's driving puts on your engine. It is the 80 mile tested oil.

Why slow tested oils are out of date. The Improved Tagolene is meeting with such popular favor.

We know you will appreciate the greater Margin of Safety The Improved Tagolene will give. Stop in today. Let the Improved Tagolene protect your car—eliminate needless repair bills.

Every man knows the
Margin of Safety a
catcher's mask gives.
... Give this same protection to your motor.
