ROBERT C. MOORE STORES CO
THE COMMUNITY PANTRY YOUR GROCERY STORE

BUSINESS CONFIDENCE—The housewives of Northeast Nebraska have tested and approved of Robert C. Moore Store Foods. The approval is shown in the continually increasing patronage the Robert C. Moore Stores enjoy. These housewives know they can depend upon the Robert C. Moore Stores to meet the requirements of good foods for their home. You, too, will have the same experience, we are most sure, and will find also a fine way to practice economy if you buy your table needs at the Robert C. Moore Store Grocery.

FACTORS CHANGING GROCERY PRICES—Grocery prices do change in most stores. Markets fluctuate up and down. Supply and demand, competitive conditions or scarcity of an item affect prices one way or another. The Robert C. Moore Stores wish only to take a fair profit—no more, or less,—but refuse to be undersold regardless of profit.

A Senator For Nebraska as well as a Senator From Nebraska

The election of W. M. Stebbins to the United States Senate means the services of a senator whose first interest will be Nebraska and her people. He will be willing to counsel with his constituents and work in harmony with his fellow representatives, and act on the Lincoln theory that "everybody knows

more than anybody." He stands for the fullest conservation and utilization of Nebraska's water, the first consideration being irrigation, believing that once storage reservoirs are provided and water for irrigation made available, the power question will take care of itself.

STEBBINS FOR SENATOR

The election of W. M. Stebbins means the services of a progressive republican who believes in party as well as individual responsibility, who opposes socialism in whatever guise it presents itself, and who will represent the best thought of Nebraska's enlightened citizenship.

Vote for W. M. STEBBINS

DONALD GALLAGHER

(Lincoln Herald, August 2nd)

If you have a friend worth loving, Love him. Yes and let him know that you love him, ere life's evening Tinge his brow with sunset glow. Why should good words ne'er be said Of a friend—till he's dead? As is well known by old readers of this paper, The Herald never lauds or boasts a fellow man, or enterprise, unless we know or at least consider the person or object worthy of laudation. We have at sundry and divers times made uncomplimentary and caustic reference to crooks and undesirables but that never affords pleasure. Would that all men would observe one simple rule, to do unto others as they would be done by and what a good world this would be. It, however, affords pleasure to say good things of good men, those who observe this rule near as possible under these every man for himself and the devil take the hindmost days. That is our esteemed friend, Don Gallagher, subject of this bunch of posies. We have known Don to do some generous and kindly deeds with no flare of trumpets and strict avoidance of publicity or commendation—because he is built that way and enjoys doing nice things for his fellows. Mr. Gallagher is a republican candidate for lieutenant governor. He is loyal to his friends at all times as will be seen by his ad in another column of this issue in which he announces straight out that he is for Senator Norris.

Mr. Gallagher is a real progressive, liberal and generous as he is in all things. He is a native Nebraskan, a college graduate, a man of family and home builder, an ideal citizen. He served a term in the legislature and made a good record as being for and with the common people and the best interests of the state. He will prove a courteous, dignified and capable lieutenant governor or governor if called to serve in either capacity.

HAROLD JAMES DOOLITTLE

The community around Chambers and Amelia were deeply grieved to hear of the death of Harold Doolittle who passed out of this life at the Wilson hospital at Stuart, Saturday, July 26th, after an illness of two weeks.

Harold James Doolittle was born near Cortland, Nebraska, March 23, 1908. At an early age he moved with his parents to Holt county, near Amelia, where he grew to manhood, and won the respect and esteem of his many friends. Harold was a frail child from birth, suffering with a heart lesion. Despite this handicap, he lived an active life, being a member of the M. E. Sunday School baseball team at Amelia. He also did his share of the work on his father's ranch. Those who have sound bodies and good health little know the effort it must have cost him to be like other young men of his age. After an illness of a few days symptoms of appendicitis developed; he was taken to the hospital and, owing to his heart condition, he courageously submitted to the operation on Monday, July 21, under a local anesthetic; other symptoms developed and he passed away the following Saturday. Death was due to an infected blood-clot in the brain, secondary to the heart lesion. A beautiful romance entered his life and he was looking forward to the time in the near future when he could build up a home for the young woman whom he had chosen as his companion through life. He was kind to his parents, brothers and sisters; his life was a true example of patience and determination.

He is survived by his parents, Mr. and Mrs. Thomas Doolittle; six brothers, Arthur, Earl, Clinton, Thomas, Clyde and Eugene, of Amelia; three sisters, Mrs. Bernard Medlen, of O'Neill; Mrs. Bernard Kennedy, of Kola, and Birdie, at home.

Sunday evening, friends and neighbors gathered at the Methodist church at Amelia and with loving hands and hearts, decorated the church with a bank of garden flowers and where funeral services were held on Monday, July 28th, at ten o'clock a. m., Rev. Lindsey officiating. A quartette composed of Mrs. Lindsey, Mrs. L. M. Sageser, Mr. Fisher and Mr. Wid-

man, sang three beautiful numbers at the church and one at the grave where the remains were tenderly laid to rest in the Chambers cemetery.

A "CITY CONVENIENCE" FOR COUNTRY HOMES

Enjoy Safe year-around refrigeration from oil heat!

MODERN iceless refrigeration for country homes is here! The new Superfex generates its own food-preserving cold from oil heat—at a cost of a few cents a day for kerosene. That's all. Just light it and leave it. 24 to 36 hours' dependable arctic zone refrigeration is generated in about an hour and a half—then the burners go out automatically. Superfex freezes ice cubes and desserts; keeps butter firm, cream sweet, meats fresh and tasty for days—right in the kitchen—in the warmest weather.

Refrigeration makeshifts are unsafe in any season. Continuous Superfex refrigeration keeps food healthful the year around—and saves thousands of steps. Sturdy steel construction, porcelain lined. No moving parts.

Telephone today for further information, or come in and see Superfex work.
