MISS FERN HUBBARD WINS ESSAY HONORS

Miss Fern Hubbard of this city, who is now teaching in the Irving school at Lincoln, Nebraska, has received notice that she was awarded the First State Honors for Nebraska in the Ninth Annual Safety contest, conducted by the Highway Safety Board last spring.

There was no prize awarded to the winner of these honors. Miss Fern will be presented with a Certificate of Honor testifying to her excellent work. Her paper will be entered in the national contest in competition with the best of other states. The national contest will not begin until all of the other states have graded their papers and have sent them in. The prize in the national competition will consist of a trip to Washington, D. C., with all expenses paid and a check for \$500 to the first prize winner; the second prize winner will receive a check for \$300. These prizes are all donated by the National Automobile Chamber of Commerce, through whose generosity the contest was made possible.

TALBOTT-HARBAUGH

(Gregory, S. D., Times-Advocate) Monday at Winner occurred the marriage of Miss Dorothy Harbaugh of Gregory and Mr. F. A. Talbott of O'Neill, Neb. The ceremony was performed by the pastor of the Methodist church at Winner.

Immediately following the ceremony the young couple left for Mitchell, S. D., on a wedding trip.

The bride is the youngest daughter of Guy Harbaugh of this city and is a young woman who has a host of friends who wish her much happiness. She has been employed as stenographer in the law office of H. Gunvor Dahl at Burke for the past several months and will continue her work there for the remainder of the year.

The groom is an employee of the Inter-State Power Co., and is located at O'Neill. He is a promising young business man who commands the esteem and respect of his associates.

Mr. and Mrs. Talbott will make their home in O'Neill after the first of the coming year.

MRS. MAXWELL ENTERTAINS FOR HER DAUGHTER

A party was given last Friday night at the Mrs. Minnie Maxwell home in honor of her daughter, Miss Gladys, who was visiting her. Among those present were Misses Gladys Mary Lee, Elizabeth Maxwell, Berniece Wyatt, Grace Williams, Helen Anderson, Verna Clyde, Francis Jereskey, Sylvia Sprague, Margaret Revell, George Weingartner, Carson Maxwell, Harry Rosler, John Sullivan, Joe Sparks, Clark Hough, Gene Shipman, Eugene Revell, Melvin Clyde, all of O'Neill; Will Naring, Jim Kelly and Oscar Hanson of Inman. At midnight a delicious lunch was served by Mrs. Maxwell. A good time was reported.

LAMB—JUSTICE

John E. Lamb, Jr., and Mrs. Leona Justice, both of Norfolk, were united in marriage at the Methodist parsonage, Monday afternoon, October 6th. They will make their home in Norfolk after a short honeymoon which they are making in a Ford. Upon a little closer scrutiny it came out that Mr. Lamb was a next door neighbor to Rev. Kuhler in Springview, Neb., the first charge he served in the state and the second of his ministry.

ALBERT ROSELER

Albert Roseler, formerly of this city, but for the past seven or eight years a resident of near Columbus, Nebraska, committed suicide Monday by hanging himself in the cow barn on the George Adams farm where he was employed.

The body was discovered by Mr. Adams when he returned from Columbus about 4:30 Monday afternoon. It is thought that Albert was despondent although he had not mentioned suicide. He had made arrangements to come to O'Neill to visit his children about a week before his death but instead of coming here he remained in Columbus until Saturday when he returned to the Adams farm slightly indisposed.

Albert was born in Illinois in April, 1878. He accompanied his parents to O'Neill when he was a young man; he farmed in this vicinity for many years. He was united in marriage to Miss Minnie Moore about twenty-six years ago. Five children were born to this union: Harry, Emmet, Florence, Helen and Violet. Mr. and Mrs. Roseler separated about fifteen years ago, the children remaining with their mother, who later married J. M. Filsinger, of this city. Albert has not resided in this vicinity since that time.

The children, with the exception of Emmet, who is not here, drove to Columbus, Tuesday in company with Eddie Roseler, to attend the funeral services which were held from the McKown funeral home Tuesday afternoon; burial was in the Columbus cemetery, Rev. Roy H. Lewis officiating.

RUSSELL J. BRYAN

Russell J. Bryan passed away at his home two miles southwest of Page, Nebraska last Sunday morning following an illness of some duration caused by cancer of the stomach.

The deceased was born December 12, 1856, at Logan, West Virginia. He came to Holt county from Russell, Kentucky, June 1882 and has continued to reside in the same locality since that time. He was united in marriage to Miss Nellie French, December 18, 1889, in Page; four children were born to this union—Howard Bryan, Hornell, N. Y.; Mrs. Lowell Murphy, Page; Mrs. Marjorie Martin, Ann Arbor, Michigan; Miss Mary, who died in infancy.

He is survived by his wife, three children and a large circle of friends and relatives.

Funeral services were held from the family home at ten o'clock Tuesday morning, Rev. McKeown officiating; burial was in the Page cemetery.

MRS. E. C. HAMMER

Mrs. Ezra Chester Hammer passed away quite suddenly last Sunday at her home, four and one-half miles south of Chambers; heart trouble was given as the cause of her death.

The family came to the Chambers Valley last March from Weeping Water, Nebraska, and have since resided on the Potter farm.

Mrs. Hammer has been in poor health for a number of years. She was born at Cedar Creek, Nebraska, April, 1875. She leaves a husband, one son and three daughters.

Short funeral services were held from the family home Monday after-

noon; the remains were then taken to Weeping Water, Nebraska for burial.

EDUCATIONAL NOTES

One of the most successful Holt County Teacher's Institutes was held in the public school in O'Neill on last Thursday and Friday, October 2nd and 3rd. The attendance was perfect and the teachers attended every session of the institute conscientiously, for which the instructors expressed their appreciation and had many good words to say for the teachers of Holt County. The best of instruction was given and Mrs. McLain's addresses on her recent trip through Canada and Alaska were of great interest and benefit to the teachers in Geography and History work.

Dr. George W. Rosenlof, Director of Education, whose name was published last week as one of the instructors, was unable to be with us, due to injuries received in an automobile accident which occurred on last Saturday evening. Both State Superintendent, C. W. Taylor and Dr. Rosenlof were painfully though not seriously injured. During the institute the teachers of Holt County unanimously voted to send resolutions of sympathy and hopes for a speedy recovery to both Superintendent Taylor and Dr. Rosenlof. This was done and the following letter to the teachers of Holt County has been received from Superintendent Taylor:

Copy
My Dear Mr. Pease:
This will acknowledge receipt of your letter of October 3rd, conveying resolutions of sympathy regarding my recent auto accident.

Kindly express to the teachers my very deepest appreciation of this act of theirs.

With kindest personal regards, I am,

Very truly yours,
Charles W. Taylor

The school exhibit at both fairs was unusually large this year and of better quality than usual.

Much dissatisfaction has been expressed as to the poor facilities for exhibiting the school work at the fairs, both at Chambers and O'Neill, due to the lack of space available. A plan was proposed to consider building Educational Halls at both the Chambers and O'Neill fair grounds. The teachers of the county unanimously expressed their willingness to support such a project. If this project should be carried out, the buildings would be paid for by the subscription of a small sum by each district in the county and would be dedicated to the school children of Holt County. Since the educational exhibit is one of the most interesting features of the fairs and more nearly represents all sections of the county than any other exhibit we feel that this would be an important step toward improving our exhibits at the county fairs as well as creating more intense interest in education in Holt County. It is only fair that the work of our school children be given recognition in this way.

LOCAL NEWS.

Walter Wilde, Marvin Young and Charles Young were arrested by officer McGraw, at Inman on a charge of intoxication; they were arraigned before County Judge Malone the first of the week, who fined them \$10 and costs; Walter Wilde and Charles Young paid their fines; Marvin Young is in jail because of failure to pay the fine.

The Lions Club again held their usual noon day luncheon at the Golden Hotel Tuesday afternoon. Following the luncheon Supervisor John Sullivan made a very interesting talk on the road situation in the county; he told of the wonderful improvement in roads over the county during the past few years; he also spoke about the C to C highway meeting that will be held in O'Neill next Monday evening by boosters for the C to C highway that will pass through O'Neill if present calculations materialize; if the people want good roads, says Mr. Sullivan, they should get squarely behind the good roads program that is being agitated by the county board, the state of Nebraska, and various civic organizations.

Mrs. Arthur Bohme came up from Amarilla, Texas, last Friday for a visit with her sister, Mrs. J. A. Naylor and brother, Phillip Weingartner.

There are fifteen attorneys in the case—five for the prosecution and ten for the defense. This is said to be the largest case of its kind since the beginning of the enforcement of the Volstead law.
