## COUNTY HUSKING CONTEST TO BE HELD NOVEMBER 1st

Arrangements have been completed for Holt County's Second Annual Corn Husking Contest which will be held this year on the Frank Petr place, just one mile south of O'Neill, according to Col. James Moore, who is in charge of the contest for Holt County. Last year the contest was held on the John Booth place, just east of Mr. Moore's farm and there were seven entrants, with Orville Thorson, winning the Holt County championship and made an exceptional showing in the state contest, winning fifth place, and would have been able to do much better, but was handicapped by lack of experience in corn husking contests.

The contest is scheduled to begin this year at 10 o'clock in the morning so that the actual husking will be over in time for lunch at noon. The officials of the contest will be busy weighing the husks and corn and computing the results while the spectators are eating. The corn will be brought into O'Neill and weighed and where the officials will do the computing of the results.

The winner of the Holt County contest will go to the state contest which will be held on the farm of Leo Wolf, 3 miles southwest of Alma, in Harlan County on November 11th for the 1930 title and for the \$200 in cash prizes and free trips to the national contest.

The National contest will be held on November 14th in Norton County, Kansas which corners Harlan county on the southwest.

The contest this year will be held at 10:00 a. m. on the morning of Saturday, November 1st and all entrants are asked to either see James Moore or call him or write him, as the entry list will be closed on Saturday, October 25th. This year there will be a purse raised for first and second prizes, which was not done last year. This contest is open to anyone in Holt County and the officers in charge of the contest would like to see some entrants from other parts of the county.

### PRESIDENT KYLE APPRECIATES HOSPITALITY

The following letter has just been sent out by Ira D. Kyle, Omaha, president of the Nebraska Division of the Izaak Walton League of America. It shows with what spirit the efforts of O'Neill were received by the officers and members of the Nebraska Division who held their state convention in O'Neill in September. The letter follows:

September 15th, 1930.

Dear Waltonian:

This is the "Weekly Letter" which will go out each Monday to the State Officers and Directors.

For the benefit of those of you who did not attend, let me say that the Eighth Annual Convention of the Nebraska Division, Izaak Walton League, at O'Neill, Nebraska, September 12th, 13th and 14th was a wonderful convention in many ways, making up in spirit what it may have lacked in numbers.

The local citizens were back of the O'Neill Chapter in all their activities. Hospitality was 100%. Decorations and welcome signs were everywhere and "welcome" was written on every face. There was an Izaak Walton window in every store and business house, with a \$10 prize for the best display. The first night there was a band concert comprising four bands from O'Neill, Ewing, Page and Orchard. Pictures were run in the moving picture theatre.

Convention sessions held in the Knights of Columbus hall, were most interesting and full of good things.

The Sports Day, winding up with the Barbecue at the O'Neill Country Club in the evening, was also 100%. A windy day interfered with the events somewhat.

At my request and so that all may be fully informed, the Secretary-Treasurer is having a reprint of the convention proceedings in "The Frontier" of O'Neill, Nebraska, and of which W. C. Templeton, a loyal Waltonian, is editor and business manager. A copy of this reprint will be sent to all officers of the League in the state, incoming and outgoing, and to each Chapter President and Chapter Secretary. Please notify the Secretary or myself if your copy fails to reach you. Copy of the printed program has already been sent you.

Acceptances have gone out to all officers and directors and I enlist your hearty co-operation and support in furthering the growth and prosperity of the Nebraska Division and the Izaak Walton League. This should be a "Big Year" if we all "do our bit."

Sincerely yours,  
IRA D. KYLE,  
President, Nebraska Division.

## COMMEND CONGRESSMAN ROBERT G. SIMMONS

Commendation of Representative Robert G. Simmons, of Scottsbluff by the Stockgrowers' Association at its 1930 meeting at Chadron for his zealous efforts in behalf of tariff protection for the livestock producers of the west, was put in the form of a resolution, which also cites Senator Howell of Nebraska, Kendrick of Wyoming and Oddie of Nevada.

The resolution expresses the appreciation of the organization for the activity of these members in behalf of adequate tariff duties on cattle and hides, mutton, lamb and wool and mentions them as leaders among those "who so valiantly worked for the agricultural interests."

Representative Simmons, in thanking the organization for its action, has reminded the membership that the flexible section of the Tariff Act permits duties to be increased 50 per cent, and has suggested that the stockmen ask the United States Tariff Commission to investigate the need for an increase in the tariff on hides.

### IRENE RICH IN STYLE BUT NO CLOTHES HORSE

"She's nothing but a clothes horse." The above can never be truthfully said of Irene Rich, who has the leading role in "On Your Back" Fox movie-tone dramatic story of a poor dressmaker who rose to fame as New York's most fashionable designer, which comes to the Royal Theatre next Sunday and Monday. "On Your Back" affords her wide latitude for a display of her acting talent. In this compelling drama of intrigue behind the scenes of New York's most patronized gown shop, Miss Rich portrays the difficult role of a sophisticated woman whose heart is finally broken by the failure of her plans. Based on a magazine story by Rita Weiman, the adaptation and dialog were done by Howard J. Green.

THERE'S MORE FOR YOUR MONEY IN THE TANK WHEN YOU LEAVE A SKELLY PUMP

SO GREAT is the demand for Skelly Gasoline—so thoroughly has it won the approval of more than 300,000 car owners, that we feel perfectly safe in paying more for it than for any other refiner's gasoline. . . . If we were selling ordinary gasoline, car owners would not come back to us again and again to get it. That kind of gasoline can be bought anywhere. But they do return for Skelly Gasoline, and that builds our business. . . . We're glad to pay more, knowing it costs more to make, knowing of its higher quality, and knowing that there will always be hundreds of thousands
