## Proposed Constitutional Amendment

SENATE FILE NO. 149

FOR amendment to the Constitution fixing individual liability of stockholders in banking corporations or banking institutions, and providing for the immediate collection of such liability upon the failure of such corporations or banking institutions," and

AGAINST amendment to the Constitution fixing individual liability of stockholders in banking corporations or banking institutions and providing for the immediate collection of such liability upon the failure of such banking corporations or banking institutions."

## Proposed Constitutional Amendment

SENATE FILE NO. 189

FOR amending Section 3 of Article XIII of the Constitution of Nebraska to read as follows:

"Section 3. The credit of the state shall never be given or loaned in aid of any individual, association, or corporation. The state legislature, however, in order to help pay any deficit in the Depositors Guaranty Fund and to discharge the obligations thereof to depositors in banks closed by the Department of Trade and Commerce prior to December 31, 1931, may appropriate out of any money in the State Treasury not otherwise appropriated the sum of eight million dollars or as much thereof as may be deemed necessary, and such appropriation shall be deemed to be for a public purpose, namely, to relieve distress and prevent suffering and to stabilize and strengthen the state banking system."

AGAINST amending Section 3 of Article XIII of the Constitution of Nebraska to read as follows:

323  NO lages and public electric light and power districts which own or operate electric light and power plants, distribution systems and transmission lines. It authorizes the extension of such lines and systems for the purpose of serving farmers and others living outside such cities and villages and also authorizes the owners of such plants to provide means for financing same.

## Proposed By Initiative Petition

324  YES This law (1) gives cities and towns owning electric light and power plants the right, provided cost is paid out of net earnings, to extend their lines beyond their border to serve farmers and others, and (2) the right to pay for power plants, etc., by pledging future earnings instead of by taxation, and (3) provides that no publicly-owned plant may be sold except upon approval of sixty percent of voters and filing of statement of original cost, etc., with Department of Public Works and limits amount of money which may be spent in campaign for sale of plant.

## Proposed By Initiative Petition

326  YES This is an Act relating to cities, villages and public electric light and power districts which own or operate electric light and power plants, distribution systems and, or transmission lines; prohibiting the sale of such plants, systems, or lines, except for cash, and unless authorized by a vote of the electors: regulating such election; forbidding the giving or receiving of anything of value in connection with such sale or purchase for such plants, systems or lines, and to fix a penalty for violation thereof.
