### EDUCATIONAL NOTES

The fourth annual meeting of the Rural School Boards of Holt County will be held at the O'Neill High School auditorium on Saturday, Feb. 14th from 10:00 a. m. until 4 p. m. Charles W. Taylor, State Superintendent, will be with us in the forenoon and George W. Rosenlof, Director of Secondary Education, will address the conference in the afternoon. Topics of general interest will be discussed by County School Board members.

These meetings are arranged for the mutual benefit of County Superintendent and school board members. It is the one time of the year when all can get together to make plans for furthering the work of education. All board members are urged to make a special effort to attend.

Anyone else interested is cordially invited to attend any or all sessions.

About 250 eighth grade pupils of the schools of Holt County wrote on the State examinations last week.

The teachers' examination grades have been received and reported to the students.

The State Apportionment has been divided and notices sent to all districts affected.

Miss Violet Fleming, of Atkinson has accepted the position as teacher of district No. 244 to fill the vacancy caused by the resignation of Miss Florence Fuelberth.

### PRESBYTERIAN CHURCH NOTES

Sunday School 10 a. m. Mr. C. E. Yantzi, Supt. Classes for all ages.

We are glad to have the attendance increase so much. Our teachers are trying to do a good piece of work. We have classes for every age.

Morning worship, 11 a. m., subject "Money the Acid Test." This will be the closing sermon on the series of sermons preached on the subject of Stewardship.

C. E. Prayer Meeting at 6:30 p. m. Evening services, 7:30 p. m. Rev. Benj. Kuhler will preach on the subject "Conscience."

We invite you to the above services.

H. D. Johnson, Pastor.

### METHODIST CHURCH NOTES

Benj. Kuhler, Pastor

Let us hope the unusual attendance last Sunday becomes a fixed habit. We can form a good habit as well as a bad one if we will. Some have learned to read and enjoy good books, others had ones, through habit. But it requires an effort to change from one habit to the reverse. Christianity has proven to be the force to convert, or turn us from the bad to the good. But we need its continual aid to keep us going in the right direction.

There seems to be a healthy gain in the Sunday School. It is a steady progress. But we are not satisfied with present achievement. There are plenty still outside, we know.

The Epworth League gave a special Lincoln Day program and made an offering toward the work of the church amongst the negroes. They enjoyed a lively social at the church last Friday evening also.

Next Sunday morning we will take up the second letter to the seven churches.

In the evening services will be held in the Presbyterian church; subject, "Conscience, Will It Guide Us Safely?" Whither bound, if we trust to that alone?

The office of the Holt County Farm Bureau is in the old Carlon building one block north of the First National Bank building.

Miss Elisabeth Eggleston, of Ewing, will act as office assistant. The office will be open from 8 a. m. to 12 noon, and from 1 p. m. to 5 p. m. Mr. Rooney's office day will be Saturday and he would like to have the farmers drop in and meet him.

**Seedling Trees Available**  
Nebraska farmers have the opportunity of purchasing seedling trees through the Extension Service. The Clarke-McNary Act furnishes funds which make the trees available at a low cost. The seedling trees are distributed at a cost of \$1.00 per hundred. This cost covers handling, packing and transportation charges. The Scotch pine seedlings are from four year old stock and the remaining varieties are two year old stock. The applications for seedlings will be filled in the order they are received. Trees will be shipped the fore part of April.

The Evergreen varieties which are available are: Jack Pine, Scotch Pine and Austrian Pine. The Broad leaf varieties are American elm, Mulberry, Cottonwood, Green Ash, Catalpa, Soft Maple, Boxelder, Chinese elm, Caragana, Russian Olive, and Honey Locust.

Application blanks and circulars describing the trees available for distribution may be secured by writing

the County Agent at O'Neill.

### Program Planning Meeting

A program planning meeting will be held at the District Court Room in O'Neill on Thursday, February 19, at 1:30 p. m. The program of Extension activities in Holt County for 1931 will be decided on at this meeting. People who are interested in Extension activities are asked to attend this meeting. The Holt County program will be drawn up by the people present at the meeting. The success of the Extension program will in large part be dependent on the people of the county. Mr. L. I. Frisbie, State 4-H Club leader, will be present at the meeting. He will assist us in planning a program of work for the year.

### HON. DAN HANSON GETS HIS PICTURE IN DENVER POST IN NEWS FEATURE

The following article is taken from the Lusk, Wyoming, Herald. Dan Hanson, the subject of the article, is a nephew of Mrs. J. B. Mellor of this city:

"Hon. Dan Hanson, Niobrara County's youthful member of the Wyoming Legislature sprung into the limelight all of a sudden this week when his picture appeared in the Denver Post, with the following story:

"Cheyenne, Wyo., Jan. 24.—There are several tall men in the Wyoming Legislature, but when the legislators are grouped there's one who sticks up like a lodgepole pine from a quaking aspen grove. He is the Hon. Dan Hanson of Hat Creek Falls, a representative of Niobrara County, in the House. The tallest, he is also the youngest member of the Legislature. He is 24 years old and stands 6 feet 4 in his socks.

Almost invariably the reflection of a stranger meeting Hanson is 'he

looks like Lincoln.' The similarity doesn't end with mere appearance. In demeanor and in thought the youngest man resembles the great emancipator.

Hanson, born and reared on a ranch, is associated with his father in the livestock business. He knows ranching thoroughly in every detail. He loves the 'wide open spaces' and when he takes a vacation he spends the time riding hundreds of miles on horseback through mountain wildernesses. Politically he is a Democrat."

# The new Ford is an economical car to own and drive

**Low first cost, low cost of operation and up-keep, and low yearly depreciation mean a distinct saving to every purchaser**

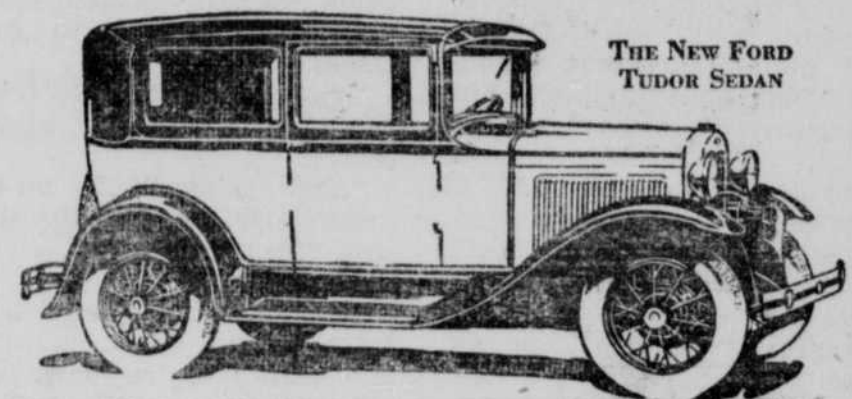

THE NEW FORD is a splendid car to own and drive because of its attractive lines and colors, safety, comfort, speed, reliability and long life.

There are, in addition, three other features of importance to every far-seeing automobile owner . . . low first cost, low cost of operation and up-keep, and low yearly depreciation.

During the life of the car, the day-by-day economy of owning a Ford will amount to considerably more than the saving on the first cost. You save when you buy the Ford and you save every mile you drive.

The reasons for this economy are simplicity of design, high quality of materials and care in manufacturing and assembling. Many vital parts are made to limits of one one-thousandth of an inch. Some to three ten-thousandths of an inch. Throughout, the new Ford is an outstanding example of fine craftsmanship in automobile engineering.

The more you see of the new Ford—the more you talk to Ford owners and experienced mechanics—the more certain you become of this fact. . . . It brings you everything you want or need in a motor car at an unusually low price.

**LOW PRICES OF FORD CARS**  
**\$435 to \$660**

F. O. B. Detroit, plus freight and delivery. Bumpers and spare tire extra at small cost. You can buy a Ford for a small down payment on a convenient financing plan. See your Ford dealer for details.

# FRATERNAL PROTECTION

WITH A 48-YEAR RECORD OF SUCCESS

In a little Iowa town, Modern Woodmen of America was organized in 1883. Its purpose was to broaden the social opportunities of farm, town and city, to promote fraternal activities in various communities and to provide life insurance protection for its members. So successfully has it done these things that Modern Woodmen of America now has more than thirteen thousand local camps in forty-six states and four Canadian provinces, has become the largest fraternal beneficiary society in the World, and has more than a billion dollars of life insurance protection in force.

**FOR THE FAMILY** Protection for every member of your family is provided by Modern Woodmen of America at the lowest cost consistent with safety. On equal terms, this organization insures men and women, from sixteen to sixty, for amounts ranging from \$500 to \$10,000, and in such a variety of certificate forms that you can select one to fit the average need. There is even a

Junior Insurance Department for children under sixteen. For the benefit of members who become afflicted with tuberculosis a free sanatorium is maintained in Colorado.

**SAFE AND SOUND** Modern Woodmen of America is 100% actuarially solvent. Its claims are paid, (\$455,000,000 to date) and will continue to be paid promptly and in full. Its modernized plan of insurance is safe, sound and meets all requirements. To be insured in Modern Woodmen of America is to enjoy unusual benefits in addition to the safety of its insurance guaranteed by the required reserves.

**GET MORE DETAILS** One or more of the thirteen thousand Modern Woodmen Camps must be in your neighborhood. For more information as to benefits of membership and how you can protect your dependents, see the local camp clerk or deputy, or write to the Head Offices. Decide today to do this.
