Frank LaBelle, the gentleman who contemplated starting a green house and nursery in O'Neill, has purchased property and is moving to Neligh where he will erect green houses. There is a good opening for a green-house in O'Neill; we predict that someone will take advantage of it before many months roll around.

Butter and egg prices which have been extremely low for some time are again advancing, but they are still reasonably cheap, considering their food value. People can still afford to eat chickens, eggs and butter and these three things, with a loaf of bread and a few vegetables added will make a good meal any day.

MRS. AUGUST SCHREIER

(Chambers Sun, March 19)
Grandma Schreier, who had been in ill health for many months, passed to her final reward on Monday morning, March 16, 1931, at the home of her daughter Mrs. George Herzog, at the age of 86 years, 9 months and 10 days.

Henrietta Dorothy Howe was born at Steenrade, Germany, on June 6th, 1884. Coming to America with her parents in 1853, settling in Chicago, Illinois.

In 1882 the Schreier family came to Holt county where Mother Schreier experienced all the hardships as well as the good things that come to all pioneers.

She was a member of the Adventist Church, an earnest Christian and ardent worker in the service of the Lord until ill health confined her to her home.

The last few years of her life she spent mostly in the homes of daughters, Mrs. Arjes, in Wyoming and Mrs. Herzog, of Chambers.

She leaves to mourn her death the five daughters, twenty grand-children and twenty-four great grand-children, the husband and two sons having preceded her in death.

Mr. Bradstreet moved with his parents to Iowa while still a boy and settled near Clear Lake, where they lived for a short time. In 1877 they came to Holt County, locating on a farm near Blackbird, where they resided for several years.

BEAUTIFUL Easter Displays

Custom has decreed and Dame Fashion has sanctioned that Easter Sunday marks the parting of the ways in the fashion world.

The well established custom relegates winter apparel to the closets and calls forth newer and brighter garments in all their spring-like freshness, to meet and greet Nature in its perennial awakening.

The custom is growing stronger in favor with each recurring season. Hence, the importance that attaches to a good store to supply its customers with seasonable merchandise of which they may be justly proud. That's the condition that prevails here and now. Each department has made special effort which makes for completeness.

Your Easter dress thought may be fully realized here during this pre-Easter week.
