LAMBERT—JACOBUS

A marriage with a touch of romance in it occurred in O'Neill at 11 o'clock Saturday morning when Rev. Benj. Kuhler, pastor of the Methodist church united in marriage Wm. Seth Lambert, of Ft. Robinson, Nebraska, and Gertrude Jacobus, of Chicago. The wedding took place in the parlors of Rev. Kuhler's home on Clay street.

Mr. Lambert is a sergeant at Ft. Robinson and had obtained a thirty-day leave of absence in order that he might travel to Chicago and marry the girl of his choice. The wedding day was arranged for Saturday, April 18th. Mr. Lambert was driving a car; when he endeavored to go around another car about five miles west of O'Neill on Tuesday of last week he struck loose gravel and his car went to the ditch; he received several broken ribs, a broken left shoulder and numerous cuts about the face; he was taken to the office of Dr. Brown, under whose care he remained until the first of this week; however, the wedding was scheduled for Saturday, April 18th, and could not be postponed; Mr. Lambert arranged for the lady to come to O'Neill, where the ceremony was performed as stated above.

UHL—KAZDA

Norbert Uhl and Miss Louella Mae Kazda were united in marriage last Monday morning at seven o'clock, in St. Patrick's church by Rev. Father B. J. Leahy. They were attended by Miss Alaxa Uhl, sister of the bridegroom, and Joseph Martin.

The ceremony was performed in the presence of the close friends and relatives of the family.

The bride was dressed in white and carried a bouquet of roses; the bridesmaid, Miss Uhl, carried a bouquet of carnations. The bridegroom was dressed in a neat brown suit.

Mr. and Mrs. Uhl left soon after the ceremony for Omaha where they were guests of relatives for several days. They are expected to arrive home today. They have furnished rooms in the J. B. Ryan building over the Classic barber shop, where they will be at home to their friends.

AIRPLANE SCENES FILMED AMID NOISE AND CROWDS

Turning an airport into a sound studio has all the promise of a herculean task but turned out to be a comparatively simple problem for Robert Leonard, who directed "The Bachelor Father," Marion Davies' new starring vehicle.

In the talkization of the David Blasco stage success, which will open at the Royal Theatre Sunday and Monday as a new Metro-Goldwyn-Mayer feature, the take-off and wrecking of a trans-Atlantic flight plane provides a tremendous climax and it was for these scenes that the company went on location at Mines Field, one of southern California's largest airdromes.

A huge tri-motored plane, equipped with special dual controls, was chartered for the scenes and in it Miss Davies and Guinn Williams took

off, ostensibly for a flight across the Atlantic.

With recording and camera equipment installed in the cabin, the big ship took off from the long field purposely flitting with the rows of trees at the far end. On the screen this provides a thrilling effect to the audience, which has the sensation of actually being in the ship.

Ralph Forbes plays opposite Miss Davies in the new feature and the supporting cast includes C. Aubrey Smith, Doris Lloyd, David Torrence, Nena Quartaro, Ray Milland, Edgar Norton, Halliwell Hobbes, Elizabeth Murray and James Gordon.
