

Modern Bridge of Sighs for China

Reflections of the invading Japanese soldiers stand out clearly in the placid water below as they march across a picturesque bridge in North China. Gogs in an inexorable war machine that is rolling juggernaut-like across China, these fighting men might be mistaken in the distance for peaceful workers homeward bound.

HELP KIDNEYS
 To Get Rid of Acid and Poisonous Waste
 Your kidneys help to keep you well by constantly filtering waste matter from the blood. If your kidneys get functionally disordered and fail to remove excess impurities, there may be poisoning of the whole system and body-wide distress.
 Burning, scanty or too frequent urination may be a warning of some kidney or bladder disturbance.
 You may suffer nagging backache, persistent headache, attacks of dizziness, getting up nights, swelling, puffiness under the eyes—feet weak, nervous, all played out.
 In such cases it is better to rely on a medicine that has won country-wide acclaim than on something less favorably known. Use Doan's Pills. A multitude of grateful people recommend Doan's. Ask your neighbor.
