Grade News
Pupils in the grades who have entered recently from other schools are: Jack Hinze and Russell Clyde in the first grade, Donna Mae Hienz in the fourth grade, Kenneth and Alvin Clyde and Betty Hienz in the sixth grade.

The first grade have completed their health contest. The winners were: Wallace Shellhamer, Dorothy Thomas, Mary Alice Davidson, Darlene Clausen, Jerry Richard,

Wilma Wilkinson, Lois Hobbs, Mary Ann Stratmeyer, Jacky Wyant, Dorothy Arnold, Mavis Wicks, Billy Ellis, Wanda Lynch, Jacky Worford and Weldon Brugeman.

In a vocabulary test in the second grade of 25 sight words and 25 phonetic words, perfect scores were earned by the following people: Barbara Walling, Mary Salmans, Donna Elshire, Helen Wyant, Arthur Tibbets, John Bishop, Marlan Peterson, Robert Holsclaw, Marvin Howell and Milton Bergstrom.

The third grade arithmetic class is working on short division and are showing great improvement.

A lively contest in multiplication, testing speed and accuracy, took place in the fourth grade. Gordon Hiatt, Betty Jane Wyant and Buddy Persons were the winners.

Bank forms are now being studied in the seventh grade. A better knowledge of how to write checks, deposit money and carry on business is the goal.

Several interesting projects are in progress in the different rooms. The third grade are keeping a spring chart which shows grass, flowers, trees budding, birds and pictures that indicate spring.

In the fourth grade the Holland sand table is progressing nicely. Dikes have been built, canals with barges show modes of transportation and other scenes typical of Dutch life are illustrated. Other grades are looking forward to an invitation to visit this room and see the finished product.

The fifth grade railroad project proved very interesting. Posters and booklets were made and special reports given. Vincent Cunningham told of the different kinds of rails used.

Australia is providing many unusual topics for study in the sixth grade.

Eighth Grade
Perfect attendance for last week went up to 70 per cent.

Adeline Green is the second person to finish all book reports for the entire year.

Lawrence Tenborg was the champion boxer of this grade.

A special review class has been started in hygiene.

Several patrons have visited the school the past week. Joanne Simonson visited the first grade Friday.

Grade school children have been making a special effort this week to form the habit of staying off the school lawn. To aid in achieving this, they are now using the back door in the mornings and noon.

The situation in Spain proves that it is possible to have a big war and a costly one without a big navy.

Of course it may help the railroads to get an increase in freight rates but what they need most is some freight to carry.

People who otherwise always mind their own business, can't resist the temptation to tell those who have colds how to cure them.—Leavenworth Times.

We never could see and sound statesmanship in giving a red radical a government job where he could use the salary to carry on propaganda to upset the government which is giving him a living.

It isn't regarded so reckless to follow the race horses as it was a few years ago. Now if you lose your money on the ponies the government will take care of you when you are old.

ings and improvements is \$4,199,923,000. The same inventory shows that 82 per cent of the land in the state of Nevada is government owned while less than 1 per cent of the land in Nebraska is owned by the government. The District of Columbia is about seven miles square. Nearly 23 per cent of this area is government owned. The government is gradually buying up more and more of this land upon which to build new government buildings.
