City Council Proceedings

(Meeting of April 5, 1938, continued from last week.)

REPORT

We, the undersigned, householders residing within the City of O'Neill, Nebraska, namely: S. J. Weekes, Martin Bazelman, T. J. Brennan, Joe Mann and Thomas Enright, having heretofore been appointed by the Mayor and City Council of O'Neill, Nebraska, to appraise and assess the damages, if any, to the property owners thereof in the vacating of the following streets and alleys situated within the City of O'Neill, Nebraska:

The alley which runs through Block 53 and 54 in McCafferty's Addition to the City of O'Neill, Nebraska, and that portion of Sixth Street within said City which runs through and dissects Block 53 and 54 and that portion of Williams Street which runs between and dissects Blocks 53 and 50 and Blocks 54 and 49 all in McCafferty's Addition to O'Neill, Holt county, Nebraska.

We hereby certify that within five days after notice of our appointments we took oath, same being duly administered to us, that each would faithfully and impartially discharge the duties of our office, faithfully and impartially make an assessment and appraisal of the damages, if any, suffered by the owner or owners of the property abutting on or adjacent to the above described streets and alleys in the vacation thereof; that on the 5th day of April, 1938, said oath was administered to us and on the same day we, in a body together, personally viewed and inspected the premises and returned to the office of Emmet A. Harmon with the City of O'Neill, Nebraska, to prepare our estimate of damages to the property. From the inspection of the premises, from data furnished us we find that Block 53 and 54 belong to School District No. 7, O'Neill Public School; that they consist of unimproved, vacant property, each block containing 16 lots and said lots therein running north and south. We find that the only portion of Block 50 in McCafferty's Addition which would be effected in any manner by the vacation of aforesaid streets and alleys is the north half of said block, which consists of 8 lots. Lots 1 and 2 owned by Augusta Theis, Lots 3, 4, and 5 owned by W. R. Butler, Trustee, Lots 6, 7, and 8 owned by Flora B. Lewis.

That the only property effected by the vacation of Williams street in Block 49 would be the north half of said block which consists of 8 lots which run north and south and owned as follows: Lots 6, 7 and B John M. Horiskey; Lots 1, 2, 3, 4 and 5 by W. R. Butler. All of the above said lots being 45 feet wide and 170 feet deep.

We find that in closing and vacating the alleys in Block 53 and Block 54 that no damage will be sustained by the adjoining owners as they are petitioners for said vacation.

We find that no damage is sustained by the vacating of that portion of Sixth street which dissects and runs between Block 53 and 54.

We find, fix and determine that in vacating Williams Street that Lots 6, 7 and 8 in Block 49 owned by John M. Horiskey would be damaged in the sum of \$5.00 per lot in the closing of said street and hereby assess the damages to said lots in said amount, and find that all the other lots in said block or owners thereof would be in no way damaged or suffer any damages thereby in vacating of Williams street.

We find that Flora B. Lewis is owner of Lots 6, 7 and 8 in Block 50 in McCafferty's Addition to the City of O'Neill, Nebraska, and that said lots would be damaged in the sum of \$5.00 each in the vacating of Williams Street and we hereby fix, assess and determine her damages and the damage to said lots in that amount and find that no damages were sustained to said lots or the owners thereof of the remainder of said lots in Block 50.

Signed: J. C. Mann, Thomas Enright, Thos. J. Brennan, S. J. Weekes, Martin Bazelman.

Thirty WPA workers in Kansas recently went on strike because they were not furnished free transportation from home to work and back. Why not let them stay at home and mail their checks to them?

These captains of industry ought to be in favor of the share the wealth plan. When the money is all divided, think how much fun they will have getting it back again.

Haile Selassie has paid his dues again into the League of Nations. If we were he we would be looking around for another clubhouse.

If the Wisconsin Progressives get too dangerous maybe the New Dealers can get Henry Wallace to issue an order to plow under every third political party.
