

Carry On Yankees' Pennant-Winning Tradition

Here are the 1938 New York Yankees who are carrying on the famous pennant-winning tradition this season, leading to another American league championship and perhaps a world series victory. Left to right: Frank Crosetti, shortstop; Rob "Red" Rolfe, third base; Tom Henrich, right field; Joe DiMaggio, center field; Lou Gehrig, first base; Bill Dickey, catcher; George Selkirk, left field; Myril Hoag, right field; and Joe Gordon, second base.

Practicing a Famous 'Picklepudd'

Annie Farley Lawson, granddaughter of South Carolina's Sen. Ellison D. ("Cotton Ed") Smith, imitates the famous "picklepudd" expression that helped her grandfather win renomination in his state's recent Democratic primary.

SEEKS NAVY FUND

Adm. William D. Leahy, chief of naval operations, leaves the White House after conferring with President Roosevelt on next year's naval building program. Admiral Leahy said it would probably be necessary to increase the budget over its present level by \$200,000,000 because building costs would increase as work advanced on ships now under construction. The program will come before the next congress.

SHE WAS QUEEN OF GRAPE FETE

Though many California communities harvested grapes this autumn, and although many of them held grape festivals where they chose queens of the grape harvest, residents of Escondido, Calif., believe their queen is about "tops." She is Miss Margaret Wiley, who reigned supreme over the bounteous crop of grapes grown in that territory this summer. The celebration is an annual affair, bigger than usual this year because of the fruitful season.

Firemen Block Attempted Suicide

Like the late John Warde, who killed himself last July in a sensational leap from a Manhattan hotel, William Ahearn, a psychopathic patient in New York's Bellevue hospital, stood on a narrow ledge of the hospital's ninth floor for several hours before Fireman Thomas J. Kehoe (left) gripped him by the ankle and dragged him back to safety. The incident attracted a large crowd.

If Asteroid Should Strike New York Harbor!

This drawing by Walter Favreau of the Hayden planetarium shows the destruction of New York if an asteroid, such as Hermes, which came within 220,000 miles of the earth last year, were to fall in New York harbor. A tidal wave would inundate the city, shipping would be destroyed, bridges would crumble and skyscrapers would burst into flames as a result of the terrible heat.

HOW TO SEW

by Ruth Wyeth Spears

OPENING mail is always stimulating—especially so when one comes upon a letter like this: "Dear Mrs. Spears—If you could step into my house you would see in every room ideas I have gotten from your Book 1—SEWING, for the Home Decorator. Your drawings are so easy to follow that I have made slipcovers and even upholstered a wing chair. I never knew there were so many good ideas for curtains and bedspreads.

"All my friends admire those I have made. I am now planning to make some new sheets and pillow cases. I like to buy sheeting and pillow case tubing by the yard to fit different beds. Can you suggest some kind of trimming? I want something that will wash

well and that I can make quickly on the machine. Sincerely, T. S."

I wonder if "T. S." has my Sewing Book 2, Embroidery, Gifts and Novelties? On Page 14 of that book is a suggestion that just about fills her requirements, and for those of you who are keeping scrap books of these sewing lessons as they appear in the paper, here is an idea for contrasting facings for sheets and pillow cases. The diagram shows each step in the making of the colored facings. Make your own cardboard pattern for the scallops by drawing part way around a small plate or saucer. Use this pattern to mark and cut the scallops. After the scallops are cut, turn the raw edge over the cardboard pattern with a warm iron as shown.

With the help of Mrs. Spears' Book 1—SEWING, for the Home Decorator, you can make many of the things you have been wanting for the house. Book 2—Embroidery and Gifts is full of ideas for ways to use your spare time in making things for yourself or to sell. Books are 25 cents each. If you order both books, crazypatch quilt leaflet illustrating 36 authentic stitches is included free. Address: Mrs. Spears, 210 S. Desplains St., Chicago, Ill.

Sentinels of Health

Don't Neglect Them!

Nature designed the kidneys to do a marvelous job. Their task is to keep the flowing blood stream free of an excess of toxic impurities. The act of living—life itself—is constantly producing waste matter the kidneys must remove from the blood if good health is to endure. When the kidneys fail to function as Nature intended, there is retention of waste that may cause body-wide distress. One may suffer nagging backache, persistent headache, attacks of dizziness, getting up nights, swelling, puffiness under the eyes—feel tired, nervous, all worn out.

Frequent, scanty or burning passages may be further evidence of kidney or bladder disturbance. The recognized and proper treatment is a diuretic medicine to help the kidneys get rid of excess poisonous body waste. Use Doan's Pills. They have had more than forty years of public approval. Are endorsed by the country over. List on Doan's. Sold at all drug stores.

Motives of Actions

Men's minds are as variant as their faces. Where the motives of their actions are pure, the operation of the former is no more to be imputed to them as a crime, than the appearance of the latter; for both, being the work of nature, are alike unavoidable.—George Washington.

Pattern 6118 contains instructions for making the medallions; an illustration of them and of stitches; photograph of medallions; materials needed.

Horse "Taken for Ride"

A few years ago a gangster became a "big shot" and decided to take up horseback riding. So he hired a horse from a swank riding academy and shortly, through his inexperience, fell off and was killed. His henchmen, agreeing that this horse could not murder their boss and get away with it, rehired the animal the next day and shot it to death on a lonely road, the only case on record of a horse having been "taken for a ride."—Collier's Weekly.

How Women in Their 40's Can Attract Men

Here's good advice for a woman during her change (usually from 38 to 52), who fears she'll lose her appeal to men, who worries about hot flashes, loss of pep, dizzy spells, upset nerves and moody spells. Get more fresh air, 8 hrs. sleep and if you need a good general system tonic take Lydia E. Pinkham's Vegetable Compound, made especially for women. It helps Nature build up physical resistance, thus helps give more vivacity to enjoy life and assist calming jittery nerves and disturbing symptoms that often accompany change of life.
