Bowling a la Panda Is Easy and Lots of Fun

Typhoon and Flood Visit Japan's Capital

More than a hundred were counted dead, thousands of homes demolished and damage extended into the millions when a typhoon visited Tokyo recently. Practical and Pretty At-Home Wearables

YOU'LL be indoors more from now on—busy at your own fire-side. So it's time to make yourself some pretty new work clothes. Here are some that combine comfort and practicality, and they are so easy to make that even if this is your first sewing venture, you'll succeed beautifully. The dress, you'll notice, is a diagram design that even the inexperienced can finish in a few hours.

Slenderizing House Dress.

Everything about this dress is designed for working comfort. The waistline, although it looks slim because it's drawn in by darts, is

unhampering and easy. The skirt gives enough leeway to stoop and climb and stretch. The armholes are ample, the sleeves short and loose. This dress is easy to do up, too, because it fastens in the front, and can be laid out flat on the board. Its utter simplicity, long lines and deep v-neck make you look slimmer than you are. Make it of calico, percale, linen or gingham.

Three Pretty Aprons.

Any of the three of them will be mighty handy to have all fresh and ready, when you want to prepare afternoon tea or a hasty pick-up supper for unexpected guests. Each of them protects the front of you efficiently, and looks so crisp, feminine and attractive. Make several sets—you'll want some for yourself, and also to put away for gifts. They're so pretty for bridge prizes, and for engagement remembrances. Choose batiste, dotted Swiss, lawn or dimity.

The Patterns.

1595 is designed for sizes 34, 36, 38, 40, 42, 44, 46 and 48. Size 36 requires, for apron No. 1, 1 1/2 yards of 35-inch material and 6 yards of ricrac braid; for apron No. 2, 1 1/2 yards of 35-inch material with 5 1/4 yards braid; for apron No. 3, 1 3/4 yards of 35-inch material, with 11 yards of braid.
