

(First publication September 29.)

NOTICE TO BIDDERS

Sealed proposals will be received by the Board of Education of the School District of the City of O'Neill, in the County of Holt, in the state of Nebraska at its office in O'Neill, Nebraska until 2:00 P. M., Central Standard Time, October 14, 1938, and will then be publicly opened and read aloud for the construction of a new school building, P. W. A. Docket (Nebr.) No. 1348, on the present school site and directly north of the present high school building of the City of O'Neill, Holt County, Nebraska as per plans and specifications prepared by Davis & Wilson, Architects, 525 South 13th Street, Lincoln, Nebraska as follows:

1. Excavation Contract

Plans may be inspected at the office of the Architects at Lincoln, Nebraska and at the Builders' Bureau at 209 North 11th Street at Lincoln, Nebraska.

Contractors who wish to bid on the work may obtain a set of plans and specifications with no deposit required for their individual use by applying to the Architects.

Each bid shall be accompanied by a certified or cashier's check for 5% of the amount of the bid, or as an alternate, bidder may submit with his bid a bid bond with an authorized surety company as surety, payable to the School District of the City of O'Neill, in the County of Holt, in the State of Nebraska, which amount shall be forfeited to the said District as liquidated damages in case the person or company to whom the Board awards the contract fails or refuses to enter into contract to furnish satisfactory performance bond in the penal sum of the full amount of the contract within ten days from notice of the award. If a certified or cashier's check or a bid bond as herein set forth is not received with a proposal, same will not be considered. No bidder may withdraw his

bid for a period of thirty days after the date set for the opening thereof.

The maximum funds available for the work herein described are \$2,000.00.

The Board also hereby reserves the right to reject any or all proposals and to waive any informality in any proposal.

All bids shall be made on the printed forms attached to and made a part of the contract documents. THE SCHOOL DISTRICT OF THE CITY OF O'NEILL, NEBRASKA
By Anna L. O'Donnell, Secretary.
Date September 29, 1938.

(First publication October 6, 1938)

NOTICE TO CONTRACTORS

Sealed bids will be received at the office of the Department of Roads and Irrigation in the State House at Lincoln, Nebraska, on October 27, 1938, until 10 o'clock A. M., and at that time publicly opened and read for GRADING, SAND GRAVEL SURFACING, CULVERTS and incidental work on the CHAMBERS WEST Federal Aid Secondary Project No. FAS 422-B (1) Federal Aid Road. The proposed work consists of constructing 3.6 miles of Graveled Road.

The approximate quantities are:

- 32,635 Cu. Yds. Excavation
- 28 Stations Station Excavation
- 15,980 Cu. Yds. Topsoil or Sand Clay Blanket Course
- 14,470 Cu. Yd. Miles Hauling Topsoil or Sand Clay Blanket Course
- 682 Sq. Ft. Concrete Cross-walks
- 2,810 Cu. Yds. Sand Gravel Surface Course Material
- 48 Cu. Yds. Concrete for Culverts
- 4,667 Lbs. Reinforcing Steel for Culverts
- 13 Lin. Ft. 24" Corrugated Metal Pipe
- 36 Lin. Ft. 18" Culvert Pipe
- 192 Lin. Ft. 24" Culvert Pipe
- 56 Lin. Ft. 30" Culvert Pipe
- 320 Lin. Ft. 18" Culvert Pipe for Driveways

The attention of bidders is directed to the Special Provisions covering subletting or assigning the contract.

Funds have been programmed for the construction of this project in the amount of \$16,350. In the event contract unit prices indicate a total cost of the project as planned in excess of the amount of funds programmed for the project, the length of the project will be shortened if necessary to keep the cost of the work within the funds allotted thereto or in case the work as completed shall leave available any portion of the funds programmed for the construction of this project, the right is reserved to extend any or all contracts for work on this project to such an extent as is considered necessary to absorb the funds so remaining available.

The minimum wage paid to all skilled labor employed on this contract shall be fifty-five (55) cents per hour.

The minimum wage paid to all intermediate labor employed on this contract shall be forty-five (45) cents per hour.

The minimum wage paid to all unskilled labor employed on this contract shall be thirty-five (35) cents per hour.

Plans and specifications for the work may be seen and information secured at the office of the County Clerk at O'Neill, Nebraska, at the office of the District Engineer of the Department of Roads and Irrigation at Ainsworth, Nebraska, or at the office of the Department of Roads and Irrigation at Lincoln, Nebraska.

The successful bidder will be required to furnish bond in an amount equal to 100% per cent of his contract.

As an evidence of good faith in submitting a proposal for this work or for any portion thereof as provided in the bidding blank, the bidder shall file, with his proposal, a certified check made payable to the Department of Roads and Irrigation and in an amount not less than the total amount, determined from the following list, for any group of items or collection of groups of items for which the bid is submitted.

- Grading Items five hundred (500) Dollars.
- Sand Gravel Surfacing Items Two Hundred (200) Dollars
- Culvert Items One Hundred Fifty (150) Dollars

The right is reserved to waive all technicalities and reject any or all bids. DEPARTMENT OF ROADS AND IRRIGATION, A. C. Tilley, State Engineer C. L. Carey, District Engineer. John C. Gallagher, County Clerk, Holt County.

Fall Service SPECIAL

Here's Our Timely Offer to Save You Inconvenience, Time and Money !!

14

Necessary Service Operations to Insure Carefree Winter Driving.
AT ONE FLAT PRICE

1. Battery condition test. Add distilled water, clean battery and terminals, inspect and clean battery cables.
2. Test starting motor starter switch; tighten all starter connections.
3. Clean generator armature; sand-in armature brushes; tighten all generator connections; adjust belt tension.
4. Check alignment and operation of all lights; tighten connections; check all light switches.
5. Inspect and tighten all electrical connections at ignition switch, fuse block, etc.
6. Tune engine, including cleaning and adjusting spark plugs and distributor. Inspect high tension wires; clean gasoline lines; drain carburetor, blow out jets, check fuel level and adjust throttle for proper engine idle and set accelerator control rod to "winter" position. Drain and check fuel pump.
7. Tighten cylinder head; intake and exhaust manifolds.
8. Completely lubricate chassis. Will make for easier riding and insures against unnecessary wear.
9. Change engine oil to winter grade. This insures proper lubrication, economy and easy starting.
10. Drain and flush out transmission and rear axle and refill with winter lubricants. This will afford proper protection to the moving parts and insure easy shifting.
11. Check cooling system for leaks, replace hose, etc., if required. Drain out all water, flush to remove all dirt and grease.
12. Add Ford anti-freeze to cooling system.
13. Check windshield wiper operation and blade condition, includes corrections in vacuum line if required.
14. Adjust clutch pedal.

There will be an extra charge for parts, such as oil for No. 9, lubricants for No. 10 or anti-freeze for No. 12.
