The Humblest Crave Renown
Burke said that fame was the passion of all great souls. Of only the great souls?

Our sins may find us out, but they can generally be relied upon to call again. Three or four deep wrinkles and a prominent wart may make a reporter refer to a statesman as "rugged."

That Nagging Backache

May Warn of Disordered Kidney Action
Modern life with its hurry and worry, irregular habits, improper eating and drinking—its risk of exposure and infection—throws heavy strain on the work of the kidneys. They are apt to become over-taxed and fail to filter excess acid and other impurities from the life-giving blood. You may suffer nagging backache, headache, dizziness, getting up nights, leg pains, swelling—feel constantly tired, nervous, all worn out. Other signs of kidney or bladder disorder may be burning, scanty or too frequent urination. Use **Doan's Pills**. Doan's help the kidneys to get rid of excess poisonous body waste. They are antiseptic to the urinary tract and tend to relieve irritation and the pain it causes. Many grateful people recommend Doan's. They have had more than forty years of public approval. Ask your neighbor!

Mildred McCue (left) and Dorothy Mitchell teach in one easy lesson how to become a horrible sitting example. The awkward position of the feet, the stocking not drawn taut, and the clumsy, messy way of lighting a cigarette, combine to detract from personal charm. Pictured at the right is the correct way of sitting, and the graceful way of lighting a cigarette.
