MRS DAISY URBAN
 Mrs. Bert Urban, who was severely burned last Thursday morning when she attempted to start a fire with kerosene, died in the O'Neill hospital last Saturday morning at the age of 20 years, nine months and seventeen days. The funeral was held last Sunday afternoon at 2 p. m., Rev. Wright officiating and burial in the cemetery at Martha, Nebraska, southeast of this city.
 Deceased was born in Valley county, Nebraska, on May 18, 1918. She came to this county with her parents and on February 26, 1934, she was united in marriage to Herbert Urban, the ceremony being performed in this city. Two children were born of this union, Arthur and Leon, who with their father are left to mourn the passing of a kind and affectionate wife and mother. She is also survived by her mother and father, six sisters and two brothers.

Elizabeth Mitchell
 Elizabeth Mitchell died at the Spencer hospital last Saturday morning at 1:30 a. m., after a short illness of blood poisoning, at the age of 74 years, 1 month and 10 days. The body was brought to this city and the funeral services were held last Monday afternoon from the Methodist church, Rev. Wright officiating and burial in Prospect Hill cemetery.
 Mrs. Mitchell was born in Pennsylvania on January 15, 1865. The family moved to Nebraska when she was a little girl and on March 4, 1887, she was united in marriage to Rudolf Mitchell, at Schuyler, Nebr. Twelve children were born of this union, five sons and seven daughters, all of whom were present at the funeral, except one daughter, Mrs. T. G. Galehouse, of Rittman, Ohio. The children are: Frank Mitchell, Oteo, Iowa; Rudolph Mitchell, Gypsum, Colo.; Mrs. Clarence Hoxie, O'Neill; Mrs. Helen McKee, Hering; Mrs. W. H. Staup, Gypsum, Colo.; Mrs. T. G. Galehouse, Rittman, Ohio; Mrs. D. A. Boldra, Omaha; Berlin Mitchell, Stuart; Charles Mitchell, Spencer; Harold Mitchell, Amity, Oregon; Mrs. C. C. Gutzler, Radium, Colo., and Mrs. Theodore Schank, Holton, Kansas. She also leaves 28 grandchildren, one great grandchild, one sister and two brothers, who, with her husband are left to mourn her passing.
 Mrs. Mitchell came to this county in 1902 coming here from Colfax county, Nebraska. They lived southwest of Atkinson for several years, moving last month to a farm north of Page. Prior to their removal she went out and picked up a cat to take along with them and the cat bit or scratched her with the result that blood poisoning set in which resulted in her death.

Why Not Do It Now?
 Why wait until house cleaning time is upon you housewives in this town of O'Neill to do some of the odds and ends of jobs that might as well be done now while you have more time to do them? It isn't necessary to wait until the windows are wide open to do a painting task, for it is possible to open windows partially and the air from top and bottom of the window will dry your painted article during this early month. There are various patching jobs that need attention which ought not be put off until later on. Look to your hardware and your plumbing demands! Your neighbors will marvel at your using your time to such good advantage, and when spring cleaning does come to your house, you will be mighty glad these other small duties are out of the way.
 One of the most important things in life, is to realize that if you want other people to like you, you must like other people.

HELP WANTED
 The attention of many O'Neill folks was held by a recent picture taken in New York City where a number of women were lying on the floor asleep, awaiting their chance for a position in the health department which pays 4960 a year. There are many cases where people accepting relief do not seek employment but this instance proved that about 175 women were interested in positions open for 12. At four o'clock in the morning of the day before that one named for the filing of applications, the first woman came to take her place. From that time on other women joined in the line. By nightfall there were 65 waiting. This was the night before the applications were to be received! They were going to stand all night without rest or food if an official had not opened the building and allowed them to remain inside. Such is the desire for honest toil that beats in the breast of many a citizen.

concern for the life of the Pope. He has been spared to go about his great work, to continue, to further peace among the people of the earth. He has been termed, "The Pope of Peace," and rightly. May his successor have the concern of all faiths and of all men in his heart as did noble Pope Pius XI. We admire his attempt to join the hands of those countries about him and hope the time will come when peace will conquer in reality.
