Watch Your Kidneys!

Help Them Cleanse the Blood of Harmful Body Waste

Your kidneys are constantly filtering waste matter from the blood stream. But kidneys sometimes lag in their work—do not act as Nature intended—all to remove impurities that, if retained, may poison the system and upset the whole body machinery.
Symptoms may be nagging headache, persistent dizziness, attacks of dizziness, getting up nights, swelling, puffiness under the eyes—a feeling of nervous anxiety and loss of pep and strength. Other signs of kidney or bladder disorder may be burning, scanty or too frequent urination.
There should be no doubt that prompt treatment is wiser than neglect. Use **Doan's Pills**. Doan's have been winning new friends for more than forty years. They have a nationwide reputation. Are recommended by grateful people the country over. Ask your neighbor!

DOAN'S PILLS

French Army Rushes Tunisian Fortifications

Keystone of the French colonial empire in Africa, Tunisia is a plum highly prized by the Italian Fascists. Should it fall into Italy's hands, the Mediterranean could be closed easily to French and British communications. Fully aware of these strategic considerations, France has been openly rushing Tunisian fortifications. On the Mareth line, near the Libyan border, France has stationed 35,000 soldiers—Zouaves and the Foreign Legion. Italian troops in Libya are reported at 60,000. At the left French troops are camouflaging concrete pillboxes along the defense line, so they will blend with the surrounding desert. Right: This is a typical native soldier serving on the Libyan border.

BRIGADIER GENERAL

First native born soldier of the U. S. territory of Puerto Rico to be made a brigadier general in the national guard or regular army is Luis Paul Esteves, former colonel recently elevated by President Roosevelt. He is now the highest ranking army officer in Uncle Sam's tropical island, regarded as a strategic outpost for the Panama canal.

Jeep Proves Popular at Sports Show

An albino coat mundi (otherwise known as a jeep) enjoys a good laugh at the expense of onlookers at an outdoor show in New York. He was exhibited by Mrs. Eugenia S. Sharrock of that city, and is the only known animal of its kind in captivity. Visitors didn't know if he was bored, amused or hungry.

Dyche Stadium to Undergo Transformation

Northwestern university's famed Dyche stadium, at Evanston, scene of many exciting sports events, will undergo a complete transformation in April. For the first time in history a stadium will be converted into a fully covered choral theater, equipped with heat, ventilation, comfortable chairs and other necessary appurtenances of a complete music hall. The theater will be used for the North Shore music festival, May 16-20. The structure will cost approximately \$20,000.

Typical of 30,000 War Veteran Families

From 30,000 entries and after months of eliminations, the "typical American war veteran and his family" were selected in New York. The honors went to Fred J. Wallin, 46-year-old building superintendent, and his wife and children. Selection was made on the basis of appearance, employment, type and size of family, and salary. The New York Legionnaire's salary is \$60 per week. The selection was announced prior to the twentieth anniversary celebration of the American Legion, March 15-17.

BLOOD DONOR

Thought to be the youngest blood donor in the U. S., Jerry Doran, three-year-old son of Mrs. Peggy Doran, Kansas City, recently recovered from an attack of sleeping sickness. Anti-Nazi Demonstrators Quelled by N. Y. Police

Thousands of anti-Nazi demonstrators gathered outside Madison Square Garden in New York recently when the German-American bund held an "Americanization" rally inside the building. Mounted police and hundreds of patrolmen were necessary to quell riots. Storm troopers protected members of the bund by patrolling the aisles during the meeting. Pictured here is a photographer busy snapping pictures of a small riot in which 200 took part.
