

Modernized Cavalry Practice Wartime Maneuvers

Weather conditions and rough terrain do not stop the mounted soldier. He operates as well in fog or rain as when atmospheric conditions are favorable. To the horse cavalry the passage of bad terrain is a day's work—rocks and hills, sand and mud, forests and rivers never stop them. Graphic illustration of this is furnished in the picture at the left where a 75-mm gun battery unit nears the top of a steep hill during First Cavalry division maneuvers at Fort Bliss, Texas. Right: A 75-mm gun unit photographed during night firing.

CLOSED DOOR POLICY

As a protest against what he terms a "misuse" of science by the totalitarian states, Professor Percy Bridgman, Harvard university physicist, has shut his research laboratory to visitors from those countries and refuses to discuss his experiments with them.

Lion Cub Quints Thrive in Circus

Clyde Beatty, wild animal trainer touring with a circus, has a soft spot in his heart for the baby lion quintuplets which are on the road with him. Birth of five lion cubs is a rarity, according to Beatty, and as sensational in the animal kingdom as the Dionne sisters are to the world.

GLOVED GOURMET

Either the corn was too hot for this old fellow or else he couldn't wait to take off his gloves before digging into the delicious corn-on-the-cob. He is one of the many hungry, homeless vagrants fed by the Volunteers of America soup kitchen in Detroit.

'Dizzy' Confident Arm Is in Shape

Take it from Jerome "Dizzy" Dean, his "ahm" is all right. He also stated that the shoulder which was injured last season has been given a complete rest all winter. Dean was one of 13 pitchers in spring training practice at Santa Catalina Island, Calif. Left to right: Charles Leo ("Gabby") Hartnett, manager of the Chicago Cubs; Andrew Lotshaw, trainer, and Dizzy himself.

World's Largest Carillon for New York Fair

Work on a 75-bell carillon to mark the hours and provide music for New York World's fair visitors was started at the Deagan plant in Chicago recently. The carillon will be the largest ever built. The 25-ton musical instrument will be removed to White Springs, Fla., after the fair, where it will be placed in the Stephen Foster memorial. Left: A workman checks a collection of more than 100 tubular bells from which the 75 will be selected. Right: Miss Jeanne Brown sets the Westminster chiming device which will automatically sound the hours on the carillon.

A SENATOR STEAMS

If the senate chamber isn't hot enough for North Carolina's Sen. Robert R. Reynolds, he can always rely on the gymnasium sweat-box. Through exercise routine he keeps his weight down and stays fit for his duties. A Democratic member of the foreign relations and military affairs committees, he has been a leading critic of the administration's co-operation in the sale of planes to France.

Bachelor Hairdresser Adopts Baby Boy

Happy indeed are Sydney Guialaroff, 30-year-old Hollywood bachelor, and Jon, the 10-months-old baby boy he has adopted. Guialaroff says he is the nation's highest paid hairdresser, and, as far as he knows, the only bachelor in the nation to adopt a baby. He took the boy when he was six days old because he likes babies.

Thousands of 'Heroes' Souls' Sent to Japan

The white boxes being loaded aboard ship in Shanghai, China, contain "Heroes' Souls," the ashes of Japanese soldiers who have been killed in battles in China. Every ship leaving Chinese ports for Japan carries these telltale white boxes. The Japanese admit 51,000 were killed in 1938. Previously they admitted 115,000 before the end of 1937. Foreign military experts estimate Japanese losses, killed and wounded, at from 450,000 to 600,000 since fighting began July 7, 1937.

Today's popularity of Doan's Pills, after many years of world-wide use, surely must be accepted as evidence of satisfactory use. And favorable public opinion supports that of the able physicians who test the value of Doan's under exacting laboratory conditions. These physicians, too, approve every word of advertising you read, the objective of which is only to recommend Doan's Pills as a good diuretic treatment for functional kidney disorder and for relief of the pain and worry it causes.

If more people were aware of how the kidneys must constantly remove waste that cannot stay in the blood without injury to health, there would be better understanding of why the whole body suffers when kidneys lag, and diuretic medication would be more often employed. Burning, scanty or too frequent urination may be warning of disturbed kidney function. You may suffer nagging back-ache, persistent headache, attacks of dizziness, getting up nights, swelling, puffiness under the eyes—feel weak, nervous, all played out.

Use Doan's Pills. It is better to rely on a medicine that has won world-wide acclaim than on something less favorably known. Ask your neighbor!
