### That Nagging Backache

#### May Warn of Disordered Kidney Action

Modern life with its hurry and worry, irregular habits, improper eating and drinking—its risk of exposure and infection—throws heavy strain on the work of the kidneys. They are apt to become over-taxed and fail to filter excess acid and other impurities from the life-giving blood. You may suffer nagging backache, headache, dizziness, getting up nights, leg pains, swelling—feet constantly tired, nervous, all worn out. Other signs of kidney or bladder disorder may be burning, scanty or too frequent urination. Use Doan's Pills. Doan's help the kidneys to get rid of excess poisonous body waste. They are antiseptic to the urinary tract and tend to relieve irritation and the pain it causes. Many faithful people recommend Doan's. They have had more than forty years of public approval. Ask your neighbor!
