WE SELL FOR CASH AND SAVE YOU MONEY BROWN-MCDONALD CONSISTENT LOW PRICES THE YEAR 'ROUND It Took a Long Time But Finally We Found a Name for Our Fine Quality SILK HOSE We're 'fussy' about silk hosiery—fussier than women who buy them because our job is to provide stockings that are not alone beautiful, but that wear. We have been selling this kind of hosiery for a long time. You can examine it with a microscope and find only perfection. We were 'fussy' about a name for this hosiery—a name expressive of sheer, ringless beauty and the way they cling like a shadow to leg and ankle. At last we found a name that clicked—SILHOUETTE! Only the name is new. The hosiery is the same long wearing beautiful stockings that have grown so amazingly in the esteem of our customers. Now—you can ask for them by name. FREE! Warm sunny tone in dull gold finish. Wear it with black, navy or even high shades. A lovely shade in an effect of rose overlaid over old gold, or like washes of roses held in a fragrant kitchen. There is a playful vigor in its brownish red tone reminiscent of cinnamon bark in grandmother's kitchen. The rich, coppery glow is slightly deeper in reddish tinge than cinnamon. A grand color for street use. A delicate purple tint laid over gives an exquisite richness. Wear it with many varying types of spring outfits. What "Gauge" and "Strand" Mean "Gauge" refers to the number of threads in the circumference of the hosiery. Our various gauges have the maximum number of needles. This assures you of quality and the wear you have a right to expect from hosiery properly "gauged." Silk, from which hosiery is knit, is in single strands. When two of these strands are twisted into a thread, the stocking knit with it is called a 2-strand. The higher the thread count, the heavier the stocking and the longer the wear.
