George Fox Kivitt

George Fox Kivitt was born January 8th, 1860, in Guthrie County, Iowa and passed away at his home at Inman, Nebr., May 30th, 1939, aged 79 years, four months and twenty-two days. He grew to manhood in Iowa where he was identified in Christian work with the Friends Church. In 1881, he moved to North Branch, Kansas, where he still held to the high principals of the same church and held the office of Elder in said church for many years. He was first married to Miss Melissa Hill, to which union one daughter was born, who survives him, Mrs. Hannah Cline, of Los Angeles, Cal. Two grandsons, sons of this daughter also live in California. This union was broken by the death of his wife after only a short companionship. On April 29, 1897, Mr. Kivitt, again was united in marriage to Miss Mary Emily Paxson. The ceremony taking place at Lawrence, Kansas. To this union six children were born, Virgil, of Memphis, Mo.; Mrs. Vernice Riley, of San Diego, Calif.; Mrs. Edith Rutledge, of Dallas, S. D.; Mrs. Alice Gallagher, Inman; Vaiden and Gifford, of Inman. There are eight grandchildren.

After thirty years residence in Kansas moved to Nebraska living near Page for four years, later coming to Inman, where he had resided for 22 years.

He had been in failing health for the past two years, although was able to be up and about most of the time. He had planned to attend church services Sunday morning, but because of extreme weakness was forced to remain at home. He

continued to grow weaker until the end came Tuesday morning. Mr. Kivitt was a devout Christian where ever he was, he was always on the right side of every moral question and stood for the best things of life. He loved his home and his family and in turn was loved and appreciated by not only his family but by all who knew him.

On coming to Inman he soon united with the M. E. Church and at the time of his death was a member of the local board of trustees and also a member of the Pastoral Relations Committee. He was a regular attendant at the worship services of the church as long as he was able to attend and never lost interest in the success of the work of the Kingdom of God.

Beides his widow, children and grandchildren he leaves to mourn his departure a host of friends.

Funeral services were held from the M. E. Church Friday afternoon with his pastor, Rev. E. R. Maxey in charge. The processional and recessional was played by Mrs. Clyde Payne, of Clearwater, Nebr. Pall bearers were George Cornish, Ewing; Donald Starr, John Sabotka and John Gallagher, Inman; Varne Hunter and Lowell Murphy, of Page. Music was furnished by Misses Doris Gannon, Arvilla Keyes, Ardith Smith and Virginia Watson with Mrs. L. R. Tompkins at the piano.

The flowers were many and beautiful. Interment was made in the Inman cemetery.

**ANOTHER PIONEER PASSES AWAY**

Isabella Brady was born in County Antrim, Ireland, on May 15th, 1852 and departed this life at her home near Red Bird after an illness of eight weeks due to infirmities of old age, at the age of 87 years and 19 days.

When an infant she came with her parents to New York state where she grew to womanhood. At the age of twelve years she united with the United Presbyterian church and in later years was affiliated with the Dorsey Presbyterian church, of which she is still a member.

On January 31, 1868 she was united in marriage to Newton Carson at Greenwich, New York. Eleven years of their married life were spent in the east—nine years at Hebron, New York, and two years in eastern Canada. They came to Nebraska in 1879 locating near Wilbur in Saline County, where they resided for nine years, and then came to their present home in Holt County where she has lived for fifty years. She was always a home loving mother and was always found at home.

Eight children, four boys and four girls were born to this union. The eldest daughter, Jessie, died at the age of thirteen months. All of her living children were present at the funeral. Her husband preceded her in death in November, 1927.

The seven children left to mourn her passing are: Will, of Lincoln; James, of Page; Mrs. Floyd Wolfe, of Lynch; Mrs. Frank Hunter, of Star; and John, Edward and Lizzie of Redbird.

There are twelve grandchildren and ten great grandchildren and one sister in Iowa, besides other relatives and a host of friends. She was the last survivor, but one of her own family and the last survivor of her husband's family.

Mrs. Carson endured all the hardships of the early days and was not only a wonderful mother but a friend and neighbor to all who knew her.

**Courage**

It takes a lot of courage  
To keep on livin' on,  
When those we loved have passed away,  
Into the Great Beyond.  
God wants us just to trust Him,  
That what He does is right,  
And look beyond the darkness  
Until we see the light.  
He knows our every heartache,  
Just what we have to bear,  
But what He wants from out our hearts  
Is the sacrifice of prayer.  
We cannot read the meaning  
That is hid in His great plan,  
But if we hold out faithful,  
Some day we'll understand.  
So may we have the courage  
When those we loved are gone,  
To look beyond the darkness,  
And keep on livin' on.

*When experts called for better oils "RPM" WAS READY!*

This NEW KIND of motor oil solves lubrication troubles\* in today's tight-fitting engines. Replaces oils, once favored, but now inadequate.

Experts who write the specifications for the Nation's motor cars have found that motor oils, until recently satisfactory, are making trouble in modern engines.

That's natural. In spite of higher prices, these old-type oils, originally designed for lower-speed motors with larger clearances, are inadequate in modern motors with their high engine speeds, more delicate clearances, new metals and new metal finishes. They cause excessive gum, carbon, varnish and other clogging deposits. What is needed is a NEW KIND of lubrication.

\*How oils, until recently satisfactory, are trouble-makers in modern motors is proved by a newly completed Repair-Shop Survey, by an independent research company. These experts found that in modern cars brought in for repairs, 77% of the oil-return passages in oil rings are clogged with gum (the first stage in varnish formation), sludge, carbon, and other deposits.

We want every motorist to know that the 1939 RPM Motor Oil is a new KIND of oil. Our refiners discarded "old-type" ideas, built a new \$3,500,000 plant, and developed a new KIND of motor oil that meets every requirement of new engine design. Today's "RPM" won't turn into "varnish" or hard carbon; will not "break down" under high-temperature operating conditions. And the famous "RPM" "clean engine" quality gives more power, better mileage and reduces gasoline consumption.

Today, using "RPM," you can operate any motor car, new or old, with greater smoothness, less friction, and more nearly perfect lubrication than with any other motor oil, regardless of price or source.

**WE BREAK A TRADITION**

By tradition, all of our advertising is conservative—it understates the merits of the products advertised. Because a new kind of motor oil is so necessary today and because this NEW KIND of motor oil, "RPM," is so clearly superior to any old-type oil, we're going to do it full justice—but no more than justice—by saying to you—"RPM" is TODAY'S NO. 1 MOTOR OIL "BUY"!
