The world knows Chevrolet passenger cars and trucks are first in value, and that's why the world has placed them first in sales!

Important to every motor car buyer is the fact that Chevrolet, first in passenger car sales, is also first in motor truck sales, because truck buyers select the trucks that pay the greatest returns.

The same qualities that distinguish Chevrolet trucks exist in equal degree in Chevrolet passenger cars. You may choose your Chevrolet solely for its beauty, comfort, or performance—but you will get in addition that all-important extra value.

Every 40 seconds of every day, somebody buys a new Chevrolet!
